

# Commissioner's Medical Grand Rounds

Wednesday, October 9, 2024, from Noon to 1:00 p.m. EDT.

MEDICAL SOCIETY OF THE  
STATE OF NEW YORK  
ORGANIZED 1897

## Turning the Tide on a Deadly Cancer: What Every Clinician Needs to Know About Lung Cancer Screening

### Presentation: Session Details

This Grand Rounds session will cover critical updates in the screening of lung cancer. This includes the latest advancements in screening eligibility, quality screening and diagnostic algorithms, and workflow resources to build into practice. The session will provide an overview of the epidemiology of lung cancer in the state and current trends in screening uptake. Case studies will offer practical examples of how to implement lung cancer screening into routine care. Subject matter experts will equip health care professionals with the latest knowledge and tools to enhance their practice in the early detection of one of the most common causes of cancer deaths across New York State.

#### Moderator

**James V. McDonald, MD, MPH**  
Commissioner,  
New York State  
Department of Health

#### Presenter
