Medical Record Review Notice

In accordance with Public Health Law § 206(26), the New York State Department of Health (Department of Health) will conduct a review of medical records, policies, and practices of the New York State Department of Corrections and Community Supervision's Wende Hub. The focus of this record review will be HIV/AIDS and hepatitis C virus risk, screening, prevention and treatment, as well as COVID-19. The public, including incarcerated individuals, their families, advocates, and any party concerned are invited to provide relevant information to the Department of Health.

Interested parties may provide relevant information in writing via email to aims@health.ny.gov or mailed to:

Department of Corrections and Community Supervision Review
Office of Medicaid Policy and Health Care Financing
Empire State Plaza
Corning Tower, 3rd Floor, Albany, NY 12237

Information must be received no later than October 2, 2026 to be considered in the Department of Health review.
