NEW YORK STATE DEPARTMENT OF HEALTH REVIEW NOTICE

Record Review

In accordance with Public Health Law § 206(26), the New York State Department of Health will conduct a review of medical records, policies, and practices of the Division of Corrections and Community Supervision (DOCCS) Sullivan Hub, which includes Eastern, Otisville, Sullivan, Ulster, and Woodbourne correctional facilities, regarding HIV/AIDS, hepatitis C prevention and treatment, and COVID-19. The public, including incarcerated individuals, their families, advocates, and any concerned party are invited to provide relevant information to the Department of Health (DOH).

Interested parties may provide relevant information in writing via email to aims@health.ny.gov, or information may be mailed to:
**DOCCS Review, P.O. Box 2112, Empire Plaza Station,
Albany, New York 12220**

Information must be received no later than November 1, 2024, to be considered in the Department of Health (DOH) review.

***Please note: This review pertains to
HIV/AIDS, hepatitis C, and COVID-19 only**
