

WE TEACH. WE TREAT. WE CURE.

Hepatitis C + Telehealth
FOR NEW YORK

HEPATITIS C SUPPORT

Telehealth

Reach marginalized populations and people living with Hepatitis C through telehealth to assist with treatment.

Provider Outreach and Recruitment

Expand Hepatitis C provider capacity and connections to provide a strong foundation for collaboration and support.

Telementoring

Working with providers to review educational materials and share resources and strategies to serve Hepatitis C patients.

We want to hear from you about our Hepatitis C Telementoring program!
