

Biomonitoring NY–Neighborhoods

Free Testing for Adults at Front Porch Festival

When: August 8, 12PM-4PM as supplies last

Where: Anthony L. Jordan Health Center, 82 Holland St, Rochester NY

Get tested for chemicals in your body. Learn how to avoid harmful chemicals in everyday life. Help represent your community in data about levels of chemicals in New Yorkers.

How to Participate?

Book Ahead	Walk-Ins Available
Call us at 518-402-7950	August 8, starting at 12 PM as supplies last

Adults age 20 and older who get tested get a \$75 gift card.

- Complete the consent form and questionnaire.
- Provide a one-time blood and urine sample.
- Receive your own free personalized lab report of your testing for PFAS, pesticides, and metals. Your test results will be mailed to you at a later date. It may take up to a year or more for your results.

Your results are confidential.

- You can eat before testing. You do not need to fast.
- Testing is voluntary and you can withdraw at any time.
- We do not test for medicine or drug use or analyze DNA or genes.
