The payment of the Monthly Basic Service Rate and any authorized additional and agreed upon Supplemental or Additional Fees as detailed in this Agreement shall be payable monthly in advance by the first (1st) day of each calendar month to the facility Business Office or as deemed necessary by the Service Provider. A late charge of twenty-five dollars (\$25) and one and one-half percent (1.5%) interest shall be assessed if the Monthly Basic Service Rate is not paid by the tenth (10th) day of the month. The interest shall be **calculated as of the first (1st) day of the month until such amount is paid** provided, however, that the Resident or Responsible Party, if any, shall have the right to contest the late payment or that such sums are due under this Agreement, and that in the event of such a dispute, no late charges shall be imposed unless ordered by a court of competent jurisdiction, or unless otherwise agreed to by the parties.

F. Bed Reservation

The Operator agrees to reserve a residential space as specified in Section I.A.1 above in the event of Your absence. You are responsible for payment of the Monthly Basic Service Rate of \$_____ for the time You are away from the facility. A provision to reserve a residential space does not supersede the requirements for termination as set forth in Section XI of this Agreement. You may choose to terminate this Agreement rather than reserve such space but must provide the Operator with any required notice as set forth in Section XI of this Agreement.

IV. Refund/Return of Resident Monies and Property

Upon termination of this Agreement or at the time of Your discharge, but in no case more than three (3) business days after You leave the Residence, the Operator will provide to You, Your Representative or Legal Representative or any person designated by You with a final written statement of Your payment and personal allowance accounts at this Residence.

IX. Admission and Retention Criteria for an Assisted Living Residence

1. Under the law which governs Assisted Living Residences (Public Health Law Article 46-b), the Operator shall not admit any Resident if the Operator is not able to meet the care needs of the Resident, within the scope of services authorized under such law, and within the scope of services determined necessary within the Resident's Individualized Service Plan. The Operator shall not admit any Resident in need of 24-hour skilled nursing care.
2. The Operator shall conduct an initial pre-admission evaluation of a prospective Resident to determine if the individual is appropriate for admission.
3. The Operator has conducted such evaluation of Yourself and has determined that You are appropriate for admission to this Residence, and that the Operator is able to meet Your care needs within the scope of services authorized under the law and within the scope of services determined necessary for You under Your Individualized Service Plan. You have agreed the Operator can meet your needs.

XI. Termination and Discharge

This Residency Agreement and residency in the Residence may be terminated voluntarily or involuntarily when you provide at least a thirty (30)

day written notice. You are responsible for the Monthly Basic Service Rate throughout the thirty (30) day written notice period. This Residency Agreement may be terminated as follows:

A. **You, Your Representative, Responsible Party**

1. By mutual agreement between You and the Operator
2. Upon 30-day written notice from You or Your Representative to the Operator of Your intention to terminate the agreement and leave the facility.
3. Upon a 30-day written notice from the Operator to You, Your Representative, Your next of kin, the person designated in this agreement as the responsible party or any person designated by You. Involuntary termination of a Residency Agreement is permitted only for the reasons listed below, and then only if the Operator initiates a court proceeding and the court rules in favor of the Operator.

B. **The Operator**

The grounds upon which involuntary termination may occur are:

1. You require continual medical or nursing care which the Residence is not permitted by law or regulation to provide;
2. Your behavior poses imminent risk of death or imminent risk of serious physical harm to You or anyone else;
3. You fail to make timely payment for all authorized charges, expenses and other assessments, if any, for services including use and occupancy of the premises, materials, equipment and food which You have agreed to pay under this Agreement. If Your failure to make timely payment resulted from an interruption in Your receipt of any public benefit to which You are entitled, no involuntary termination of this Agreement can take place unless the Operator, during the thirty-day period of notice of termination, assists You in obtaining such public benefits or other available supplemental public benefits. You agree that You will cooperate with such efforts by the Operator to obtain such benefits;
4. You repeatedly behave in a manner that directly impairs the well-being, care or safety of Yourself or any other Resident, or which substantially interferes with the orderly operation of the Residence;

5. The Operator has had his/her operating certificate limited, revoked, temporarily suspended or the Operator has voluntarily surrendered the operation of the facility;
6. A receiver has been appointed pursuant to Section 461-f of the New York State Social Services Law and is providing for the orderly transfer of all residents in the Residence to other residences or is making other provisions for the Residents' continued safety and care.

If the Operator terminates the Residency Agreement for any of the reasons stated above, the Operator will give You a Notice of Termination and discharge, which must be at least thirty (30) days after delivery of notice, the reason for termination, a statement of Your right to object and a list of free legal advocacy resources approved by the State Department of Health.

You may object to the Operator about the proposed termination and may be represented by an attorney or advocate. If You challenge the termination, the Operator, in order to terminate, must institute a special proceeding in court. You will not be discharged against Your will unless the court rules in favor of the Operator.

While legal action is in progress, the Operator must not seek to amend the Residency Agreement in effect as of the date of the notice of termination, fail to provide any of the care and services required by Department regulations and the Residency Agreement, or engage in any action to intimidate or harass You.

Both You and the Operator are free to seek any other judicial relief that may be entitled.

The Operator must assist You if the Operator proposes to transfer or discharge You to the extent necessary to assure, whenever practicable, Your placement in a care setting which is adequate, appropriate and consistent with Your wishes.

C. Death

This Agreement shall be terminated automatically in the event of Your death. Your estate will be billed for any unpaid charges. The Operator will charge and is entitled to keep the full Monthly Basic Service Rate charged for the entire calendar month regardless of what portion of the month Your room is occupied.

XII. Transfer

Notwithstanding the above, an Operator may seek appropriate evaluation and assistance and may arrange for Your transfer to an appropriate and safe location, prior to termination of a Residency Agreement and without a thirty (30) day notice or court review, for the following reasons:

1. If You develop a communicable disease, medical or mental condition, or sustain an injury such that continual skilled medical or nursing services are required;
2. If Your behavior poses an imminent risk of death or serious physical injury to yourself or others; or
3. If a Receiver has been appointed under the provisions of New York State Social Services Law and is providing for the orderly transfer of all Residents in the residence to other residences or is making other provisions for the Residents' continued safety and care.

If you are transferred, in order to terminate Your Residency Agreement, the Operator must proceed with the termination requirements as set forth in Section XI of this Agreement, except that the written notice of termination must be hand delivered to You at the location to which You have been transferred. If such hand delivery is not possible, then the notice must be given by any of the methods provided by law for personal service upon a natural person. If the basis for the transfer permitted under parts 1 and 2 above of this section no longer exists, You are deemed appropriate for placement in this Residence and if the Residency Agreement is still in effect, You must be readmitted.

Transferring to another Room: If You request a transfer from one room to another within the Residence, You agree to pay the Operator a non-refundable transfer fee of \$750. This non-refundable transfer fee will include the cost of

APPROVED maintenance and cleaning of the room. The Operator may waive the transfer fee for reasons including, but not limited to:

- Your room preference was not available at the time of admission
- Your health care needs change thus requiring a different room
- Your financial needs change thus requiring a different room

ADDENDUM I

Adult Care Facility Statement Offering Personal Allowance Account

Heathwood Assisted Living at Williamsville

Operating Certificate: 240-F-881

For Supplemental Security Income (SSI) and Home Relief (HR Recipients)

I understand that New York State Department of Health (NYS DOH) Regulations provides me, as an SSI or SNA recipient, with a personal allowance which may be used as I wish for clothing, personal hygiene items, and other supplies, services, entertainment, or transportation for my personal use.

I understand that the operator cannot accept my personal allowance to pay for supplies and services that the operator is required to provide by law, regulation, or admission agreement. In addition, my personal allowance may not be used to pay the operator for any services for which payment is available under Medicare, Medicaid, or third-party coverage.

I understand that the operator must offer me or my representative a facility maintained personal allowance account to safeguard my personal allowance funds.

I understand that if I or my representative choose a facility maintained personal allowance account, the NYS DOH Regulations require the operator to: make these funds available to me for my own use; tell me the business hours when I may deposit or withdraw my funds or review my personal allowance records; pay me interest (if my funds are in an interest bearing account); show or give me upon request, or at least every three months, a summary of my account which includes my current balance; tell me of any other important facts about my account.

I understand that I do not have to put my funds in a facility-maintained account.

I understand that I may close my facility-maintained account at any time and have my funds returned to me.

I understand there are legal protections for my funds and account.

I understand that I may ask the NYS DOH or legal/advocacy agencies to help me if I do not receive my personal allowance or have access to money in my personal allowance account.

Check one of the following boxes:

- ☐ I authorize the operator to establish a facility maintained personal allowance account.
- ☐ I do not authorize the operator to establish a facility maintained personal allowance account.
- ☐ As representative for _____, I agree to comply with the personal allowance requirements set forth above. ☐ I do / ☐ I do not authorize the operator to establish a facility maintained personal allowance account.
- ☐ I am not an SSI or SNA recipient. However, the operator has offered to maintain a personal fund account for me. I hereby authorize such an account.

NYS Department of Health

Reviewer's Initials: EB

_____ ("You" or "Resident") have requested to stay in Heathwood Assisted Living at Williamsville ("Community") until _____ {date} (the "Respite Stay"). This Respite Stay is limited to up to one-hundred twenty days (120) in any twelve- month period. In connection with the Respite Stay, you and the Community have entered into the Community's Adult Care Facility Residency Agreement, a copy of which is attached to this addendum. The Community holds the Adult Home, Assisted Living Residence, Special Needs Assisted Living Residence and Enhanced Assisted Living Residence licenses and certifications:

The purpose of this Addendum is to amend certain provisions of the Residency Agreement to reflect your Respite Stay.

1. During your Respite Stay, the rate you will be charged for each day of the Respite Stay will be \$ _____ ("Daily Rate"), inclusive of all services that the Community may provide you.
2. During your Respite Stay, you may terminate your Respite Stay, this Addendum, and the Residency Agreement early by delivering to the Community notice of termination at least three days prior to the date you intend to vacate your Apartment/Room. If you paid for the Respite Stay in advance and you elect under this Section to shorten the Respite Stay, the Community will refund to you an amount equal to the amount you prepaid minus the product of the number of days you actually stayed multiplied by your Daily Rate.
3. The Community may also terminate your Respite Stay upon three days' written notice on the grounds set forth in the Termination procedure provided in the Residency Agreement.
4. After your Respite Stay expires, this Addendum shall expire and be of no further force and effect. If you have not terminated this addendum, pursuant to Paragraph 3, you will continue to be bound by the terms of the Residency Agreement, including any payments that need to be made by the terms of that Agreement and which have not been made during the term of your Respite Stay.
5. Within 30 days prior to admission, you must provide a dated signed medical examination report which conforms to Department Regulations (DOH-3122 or an approved substitute). Thereafter, you must have a physical examination at least once every six (6)

months (or more frequently if a change in condition warrants) and additional examinations considered necessary by your physician.

6. During the Term of your Respite Stay, the provision of this Addendum supersedes any provisions of the Residency Agreement that are inconsistent with this Addendum. All other terms in your Agreement remain in full force and effect.

7. All Residents admitted under this Temporary Residential Care Addendum to the Residency Agreement shall receive the same emergency evacuation training as all other Residents.

8. Only Residents appropriate for the level of care for which the Community is licensed by the Department of Health to provide will be admitted to the Temporary Residential Care Program.

9. In the event that you wish to become a permanent resident at the Community upon expiration of your Respite Stay, you must notify the Community at least one week prior to the expiration of your Respite Stay, and you will continue to be bound by the terms of the Residency Agreement, including any payments that need to be made by the terms of that Agreement and which have not been made during the term of your Respite Stay.

Having read this Addendum, the undersigned acknowledge that they understand the rights and obligations created by this Addendum and the Original Agreement, and by signing below agree to all the terms and conditions contained therein. The Responsible Person(s) signs this Addendum to undertake to guarantee the obligations of Resident, including the payment of all fees that the Resident may owe the Community under this Addendum and the Original Agreement.
