Summary of Services	<i>Our ALP provides nursing care, home care, personal care and meals for residents that require services above and beyond what is typically provided while living in the community. The program may be an alternative to nursing home care. Our caring and compassionate staff offers meals, some assistance with personal care, like bathing, dressing and grooming, medication assistance, supervision and monitoring, a program of activities, case management, housekeeping and laundry service. The ALR program offers the custodial services of the ALP but includes your choice of larger living quarters and an opportunity for enhanced services. Our EALR offers an advanced level of care to serve people who wish to remain in their residences, adding services as they develop age-related difficulties. This is commonly referred to as “Aging in Place.” Participants in all programs are offered assistance with paratransit services to support community integration and utilize assistive devices and support to enhance</i>

	<i>communication with family, friends, and community for individuals with hearing or visual impairments.</i> <i>We offer on-site dementia education and support services in collaboration with the Alzheimer's Association of Jefferson County.</i> <i>Disclaimer: This list is a summary and not exhaustive. Additional Details can be found in the Link below for Approved Residency Agreement.</i>
