RESIDENCY AGREEMENT

This Agreement is made between BRIGHTON SENIOR CARE, LLC d/b/a The Landing of Brighton (“Operator”), [REDACTED] (“Resident” or “You”), and [REDACTED] (“Responsible Person”). Operator, Responsible Person and Resident are hereinafter referred to as the “parties”.

RECITALS

The Operator is licensed by the New York State Department of Health to operate at 1350 Westfall Road, Rochester, New York 14618 as an Assisted Living Residence (“The Residence”) known as The Landing of Brighton and as an Enriched Housing Program. The Operator is also certified to operate, at this location, an Enhanced Assisted Living Residence (“EALR”) and a Special Needs Assisted Living Residence (“SNALR”). These certifications permit the Operator to provide Enhanced Assisted Living services for up to a maximum of 44 persons and Special Needs Assisted Living services for up to a maximum of 34 persons.

You have submitted a written report from Your physician to Operator which report states that (a) Your physician has physically examined You within the last month; and (b) You are not in need of 24-hour skilled nursing care or medical care which would require placement in a hospital or nursing home. You have requested to become a Resident at The Residence and the Operator has accepted your request.

AGREEMENT

I. Housing Accommodations and Basic Services

Beginning on _____, _____, (*Insert beginning date of residency*) the Operator shall provide the following housing accommodations and services to You, subject to the other terms, limitations and conditions contained in this Agreement. This Agreement will remain in effect until amended or terminated by the parties in accordance with the provisions of this Agreement.

A. **Housing Accommodations and Services**

1. **Your Apartment.** You may occupy and use the apartment designated on Exhibit I.A.1, subject to the other terms of this Agreement.
2. **Common areas.** You will be provided with unrestricted access to the general purpose rooms at the Residence such as main dining room, café, living room, activity room, theatre and other common areas for at least ten (10) hours per day between the hours of 9:00 am and 8:00 pm. Use of these general purpose rooms outside this timeframe may be accommodated upon approval from the Executive Director of the Residence or his/her designee. Reasonable limitations may be imposed on access to general purpose rooms by Operator, for example in the event of communicable disease impacting you or the Residence, but only to the extent necessary to follow applicable Department of Health requirements.

3. **Furnishings/Appliances Provided By The Operator.** Attached as Exhibit I.A.3. and made a part of this Agreement is an inventory of furnishings, appliances and other items supplied by the Operator in Your apartment.
4. **Furnishings/Appliances Provided by You.** Attached as Exhibit I.A.4. and made a part of this Agreement is an inventory of furnishings, appliances and other items supplied by you in your apartment. Such Exhibit also contains any limitations or conditions concerning what type of appliances may not be permitted (e.g., due to amperage concerns, etc.).

B. Basic Services

The following services ("Basic Services") will be provided to you, in accordance with your Individualized Service Plan.

1. **Meals and Snacks.** Three (3) nutritionally well-balanced meals per day and one snack per day are included in Your Basic Rate, pursuant to 18 NYCRR §488.8. Memory Care residents are served snacks 3 times daily and are available 24 hours per day with staff assistance. The following modified diets will be available to You if ordered by Your physician and included in Your Individualized Service Plan: no added salt, diabetic/consistent carbohydrate, pureed and mechanical soft. Food and Drink are available to You 24 hours per day, seven days a week in the following way(s): in the bistro or by asking a staff member. Additionally, You may supply Your own snacks and maintain them in Your Unit.
2. **Activities.** The Operator will provide a program of planned activities, opportunities for community participation and services designed to meet Your physical, social and spiritual needs, and will post a monthly schedule of activities in a readily visible common area of the Residence.
3. **Housekeeping.** Vacuuming, trash collection and general housekeeping services will be provided on a weekly basis or as otherwise needed in keeping with Your needs.
4. **Linen Service.** Towels and washcloths; pillow, pillowcases, blanket, two sets of bed sheets, bedspread; all clean and in good condition.
5. **Laundry of Your Personal Washable clothing.** Laundering of your personal washable clothing at least once a week and more often as necessary. You are responsible for making arrangements to have cleaned any clothing that requires dry cleaning or pressing.
6. **Supervision on a 24-hour basis.** The Operator will provide appropriate staff on-site to provide supervision services in accordance with law. Supervision will include monitoring (a response to urgent or emergency

needs or requests for assistance on a 24-hour a day, seven days a week basis) as well as the other components of supervision as specified in law. Such supervision does not include one-on-one continuous supervision.

7. **Case Management.** The Operator will provide appropriate staff to provide case management services in accordance with law. Such case management services will be delivered by appropriate staff and include identification and assessment of Your needs and interests, information and referral, and coordination with available resources to best address Your identified needs and interests.
8. **Personal Care.** The Operator will provide You with the following personal care services: wellness checks such as weight and blood pressure monitoring and basic assistance with personal care including some assistance with bathing, grooming, dressing, toileting, ambulation, transferring, feeding, medication acquisition, storage and disposal, assistance with self- administration of medication (*in each instance to the extent applicable based on Resident's needs and subject to additional Level of Care charges described on EXHIBIT III.A.1*).
9. **Development of Individualized Service Plan.** An Individualized Service Plan will be developed, in consultation with Your physician, to address the resident's needs including ongoing review and revision as necessary. This Individualized Service Plan will be reviewed and revised every six months and whenever ordered by Your physician or as frequently as necessary to reflect Your changing needs.

C. **Additional Services**

Exhibit I.C., attached to and made a part of this Agreement, describes in detail any additional fees, services, supplies, or amenities available from the Operator directly or through arrangements with the Operator for a supplemental or additional fee. Such Exhibit states who would provide such services or amenities, if other than the Operator.

D. **Licensure/Certification Status**

A listing of all providers offering home care or personal care services under an arrangement with the Operator, and a description of the licensure or certification status of each provider is set forth in Exhibit I.D of this Agreement. Such Exhibit will be updated as frequently as necessary.

II. **Disclosure Statement**

The Operator is disclosing information as required under Public Health Law Section 4658 (3). Such disclosures are contained in Exhibit II, which is attached to and made part of this Agreement.

III. Fees

A. Basic Rate

The Residence operates with a tiered fee arrangement, in which the amount of the Basic Rate depends on the types and amounts of services provided. As such, your Basic Rate (“Basic Rate”) is composed of two distinct fees as set forth in detail in Exhibit III.A.2: (1) the fee for your Housing Accommodations and Basic Services, and (2) the fee for your level of care services, if applicable (“Level of Care Fee”). Attached as Exhibit III.A.2 and made a part of this Agreement is a rate or fee schedule that breaks down the fees that make up your Basic Rate.

The Level of Care Fee for each resident will be determined by the level of care the Resident is assigned, as those levels are described in Exhibit III.A.1, based upon an initial and then ongoing assessment of his or her needs (including the types of services provided and the anticipated amount of time such services will take to provide). The Level of Care Fee will change immediately upon a change, either upward or downward, in the applicable level of care. If the Basic Rate is adjusted for reasons other than a change in the level of care and the Level of Care Fee, you will be given the notice required as set forth in Section III.E.

You, Your Representative and Your Legal Representative agree that You will pay, and Operator agrees to accept, Your regular payment of the Basic Rate in full satisfaction of the Housing Accommodations and Basic Services described above in Sections I.A. and I.B.

Second Party Occupancy. If Your apartment is occupied by You and a mutually accepted second party (i.e. spouse, companion, significant other, etc.) and the other resident surrenders the apartment, thirty (30) days after notice of such change is provided to Operator, your Basic Rate will be adjusted to reflect the single occupancy rate then in effect for the Apartment, regardless of the reason for the termination of the occupancy of the other resident. For purposes of clarification, second party occupancy occurs at the Residence most often for spouses or loved ones – not unfamiliar roommates matched together. Each resident must be assessed and deemed appropriate to reside in the Residence, have their own level of care determined through such assessment and sign their own separate agreement.

B. Supplemental, Additional, or Community Fees

A Supplemental or Additional fee is a fee for service, supplies, care or amenities that is in addition to those fees included in the Basic Rate.

A Supplemental fee must be at Resident option. In some cases, the law permits the Operator to charge an Additional fee without the express written approval of the Resident, as set forth in Section III.E. Any charges by the Operator for additional or supplemental fees shall be made only for services and supplies that are actually supplied to the resident.

A Community fee is a one-time fee that the Operator may charge at the time of admission. This Residence charges a one-time community fee as set forth in Exhibit I.C, payment of which is a condition of residency. You may choose whether to accept the Community Fee as a condition of Your residency in the Residence or to reject the Community Fee and thereby reject residency at the Residence. The Community Fee is non-refundable, except that the fee will be refunded, less a \$250 fee, if within 30 days from the date You signed this Agreement, You have not been admitted to the Residence and you make a written request for the refund stating that You will not be seeking admission to the Residence.

Supplemental, Additional, and Community fees are listed in Exhibit I.C.

C. Billing and Payment Terms

You will be charged from the day of Your admission up through and including the day of Your transfer or discharge from the Residence (the “Discharge Date”). If You fail to remove Your belongings and personal property from your apartment prior to your Discharge Date, the Operator will continue to assess the Housing Accommodation and Basic Services Fee identified in Exhibit III.A.2 on a per diem basis, until Your belongings and personal property are removed from the Residence.

The first month of Your Basic Rate is due prior to your move in. A summary of all Your fees is found in Exhibit III.A.2 and includes the total amount due prior to move-in. **Thereafter, all payments are due on the first of each month and shall be delivered to The Landing of Brighton at 1350 Westfall Road, Rochester, New York 14618.** Payments received after the tenth (10th) day of the month when due, plus any outstanding balance, will incur a late charge of four (4%) percent interest per month. You and Your Legal Representative have the right to dispute and contest any charges in accordance with Section XVI below or in accordance with applicable law.

In the event the Resident, Resident’s representative, or Resident’s legal Representative is no longer able to pay for services as outlined in this Residency agreement and deemed necessary by the Resident’s physician, it is Your responsibility to inform the Administrator or designee as soon as possible. Operator may terminate this Agreement for non-payment in accordance with the provisions of Section XIII.

D. Adjustments to Basic Rate or Additional or Supplemental Fees

1. You have the right to written notice of any proposed increase of the Basic Rate or any Additional or Supplemental fees not less than forty-five (45) days prior

to the effective date of the rate or fee increase, subject to the exceptions stated below. The Operator may increase the Basic Rate and/or Additional or Supplemental Fees on an annual basis by providing You with written notice of the increase not less than forty-five (45) days prior to the effective date of the rate or fee increase.

a. If You or Your Representative or Your Legal Representative agree in writing to a specific rate or fee increase through an amendment of this Agreement, due to the need for additional care, services, or supplies, the Operator may increase such rate or fee upon less than forty-five (45) days written notice.

b. If the Operator provides additional care, services or supplies upon the express written order of Your primary physician, the Operator may increase the Basic Rate or any Additional or Supplementary Fee upon less than forty-five (45) days' written notice. The Basic Rate will change immediately upon a change, either upward or downward, in the applicable level of care and Level of Care Fee.

c. In the event of any emergency which affects You, the Operator may assess such additional charges for Your benefit as are reasonable and necessary for services, material, equipment and food supplied during such emergency.

2. Since a Community Fee is a one-time fee, there can be no subsequent increase in a Community Fee charged to You by the Operator, once You have been admitted as a resident.

E. Bed Reservation

The Operator agrees to reserve the residential space as specified in Section I.A.1 above in the event of Your absence. The charge for this reservation is Your Basic Rate (as shown on Exhibit III.A.2), prorated on a per diem basis. Your residential space will be reserved for as long as you continue to pay Your Basic Rate as set shown on Exhibit III.A.2 and subject to this Section III.F. A provision to reserve a residential space does not supersede the requirements for termination as set forth in Section XIII of this Agreement. You may choose to terminate this Agreement rather than reserve this space by providing the Operator with thirty (30) days' prior notice. If You choose to reserve a residential space, the then-current Basic Rate and terms of this Agreement will remain in effect until this Agreement is otherwise amended or terminated pursuant to Section XIII below.

If You are absent from your Apartment for medical reasons for more than fourteen (14) consecutive days, You will receive a credit toward Your Basic Rate for all charges within Your Basic Rate other than the Housing Accommodation and Basic Services fee. This credit will begin on the fifteenth (15th) day of Your absence and will end when your medical condition allows You to return to the Residence. You will be required to pay the Basic Rate

less the above described credit until such time as the Agreement is terminated pursuant to Section XIII of this Agreement.

F. Apartment Changes

In limited circumstances, the Operator may need to relocate You from your apartment identified in Section I.A.1 (“Original Apartment”) to another apartment (“Substitute Apartment”) in order to protect your health, safety and comfort or the health, safety and comfort of other residents or to perform routine or unscheduled maintenance. The Operator will make every effort to provide You with advance notice and a reasonably comparable apartment. If You are relocated to another apartment, no increase will be made to your then-current rate for Housing Accommodation and Basic Services. Once the reason for the relocation has been resolved, You will have the choice of returning to your Original Apartment at your then-current rate for Housing Accommodation and Basic Services or remaining in the Substitute Apartment at its then-current rate for Housing Accommodation and Basic Services.

IV. Refund/Return of Resident Monies and Property

Upon termination of this Agreement or at the time of Your discharge, but in no case more than three business days after your Discharge Date, the Operator must provide You, Your Resident or Legal Representative or any person designated by You with a final written statement of Your payment accounts at the Residence.

The Operator must also return at the time of Your discharge, but in no case more than three (3) business days any of Your money or property which comes into the possession of the Operator after Your discharge. The Operator must refund on the basis of a per diem proration any advance payment(s) which You have made.

If you die, the Operator must turn over Your property to the legally authorized representative of Your estate. If you die without a will and the whereabouts of Your next-of-kin is unknown, the Operator shall contact the Surrogate’s Court of the County wherein the Residence is located in order to determine what should be done with property of Your estate.

V. Property or Items of Value Held in the Operator’s Custody For You

If, upon admission or at any other time, you wish to place property or things of value in the Operator’s custody and the Operator agrees to accept the responsibility of such custody, the Operator must enumerate the items so placed and attach to this Agreement a listing of such items. Such listing is attached as Exhibit V of this Agreement.

VI. Fiduciary Responsibility

If the Operator assumes management responsibility over Your funds, the Operator shall maintain such funds in a fiduciary capacity to You. Any interest on money received and held for You by the Operator shall be Your property.

VII. Tipping

The Operator must not accept, nor allow Residence staff or agents to accept, any tip or gratuity in any form for any services provided or arranged for as specified by statute, regulation or agreement.

VIII. Personal Allowance Accounts

As a private pay facility, the Operator will not offer to hold Personal Allowance Accounts for Residents.

IX. Admission and Retention Criteria for an Assisted Living Residence

- A. Under the law which governs Assisted Living Residences (Public Health Law Article 46-b), the Operator shall not admit any Resident if the Operator is not able to meet the care needs of the Resident, within the scope of services authorized under such law, and within the scope of services determined necessary within the Resident's Individualized Service Plan. The Operator shall not admit any Resident in need of 24-hour skilled nursing care. **The Operator shall not exclude an individual on the sole basis that such individual is a person who primarily uses a wheelchair for mobility and shall make reasonable accommodations to the extent necessary to admit such individuals, consistent with the Americans with Disabilities Act of 1990, 42 U.S.C 12101 et seq. and with the provisions of those sections.**
- B. If Operator determines that a change in Resident's physical, mental or psychological condition requires Resident to have nursing, personal care or companion assistance beyond that which the Community provides, Resident agrees that the Operator may obtain such care or assistance, or send Resident out of the Community to obtain such assistance, in each instance, at Resident's expense until other appropriate ongoing arrangements can be made.
- C. The Operator shall conduct an initial pre-admission evaluation of a prospective Resident to determine whether or not the individual is appropriate for admission.
- D. The Operator has conducted such evaluation of Yourself and has determined that You are appropriate for admission to this Residence, and that the Operator is able to meet Your care needs within the scope of services authorized under the law and within the scope of services determined necessary for You under Your Individualized Service Plan.

- E. If you are being admitted to a duly certified Enhanced Assisted Living Residence, the additional terms of the “Enhanced Assisted Living Residence Addendum” will apply.
- F. If you are being admitted to a Special Needs Assisted Living Residence, the terms of the “Special Needs Assisted Living Residence Addendum” will apply.
- G. If You are residing in a “Basic” Assisted Living Residence and Your care needs subsequently change in the future to the point that You require either Enhanced Assisted Living Care or 24-hour skilled nursing care, You will no longer be appropriate for residency in this Basic Residence. If this occurs, the Operator will take the appropriate action to terminate this Agreement, pursuant to Section XIII of the Agreement. However, if the Operator also has an approved Enhanced Assisted Living Certificate, has a unit available, and is able and willing to meet Your needs in such unit, You may be eligible for residency in such Enhanced Assisted Living unit.
- H. Enhanced Assisted Living Care may be provided to persons who desire to continue to age in place in an Assisted Living Residence and who:
 - (a) chronically require the physical assistance of another person in order to walk; or
 - (b) chronically require the physical assistance of another person to climb or descend stairs; or
 - (c) are dependent on medical equipment and require more than intermittent or occasional assistance from medical personnel; or
 - (d) have chronic unmanaged urinary or bowel incontinence.

The Enhanced Assisted Living Care available at this Residence is set forth in the “Enhanced Assisted Living Residence Addendum.”

- I. Enhanced Assisted Living Care may also be provided to certain persons who desire to continue to age in place in an Assisted Living Residence and who are assessed as requiring 24-hour skilled nursing care or medical care and who meet the conditions stated in the Enhanced Assisted Living Residence Addendum.

X. Rules of the Residence

Attached as Exhibit X and made a part of this Agreement are the Rules of the Residence. By signing this Agreement, You and Your representatives agree to obey all reasonable Rules of the Residence.

XI. Responsibilities of Resident, Resident’s Representative and Resident’s Legal Representative

- A. You, or Your Resident Representative, or Legal Representative to the extent specified in this Agreement, are responsible for the following:

1. Payment of the Basic Rate and any authorized Additional and agreed-to Supplemental or Community Fees as detailed in this Agreement.
2. Supply of personal clothing and effects.
3. Payment of all medical expenses including transportation for medical purposes, except when payment is available under Medicare, Medicaid or other third-party coverage.
4. At the time of admission and at least once every twelve (12) months, or more frequently if a change in condition warrants, providing the Operator with a dated and signed medical evaluation that conforms to regulations of the New York State Department of Health.
5. Informing the Operator promptly of change in health care proxy, health status, change in physician, or change in medications.
6. Informing the Operator promptly of any change of name, address and/or phone number.

B. The Resident's Representative shall be responsible for the following:

2. Supply Residents with enough sets of clothing, undergarments etc. as necessary.
3. Advise of any change of contact person, address, telephone number and such, including designating alternate contact person during vacation, or for other absenteeism and provide all the above information for such person.
4. Make the appropriate monthly payments as agreed to in this Agreement.

C. The Resident's Legal Representative, if any, shall be responsible for the following:

1. If appointed as the Resident's Health Care Proxy, make medical decisions when Residents is unable to make such decisions for himself or herself.
2. Supply Residents with enough sets of clothing, undergarments etc. as necessary.
3. Advise of any change of contact person, address, telephone number and such, including designating alternate contact person during vacation, or for other absenteeism and provide all the above information for such person.

4. Make the appropriate monthly payments as agreed to in this Agreement.
- D. The Operator shall be responsible for the following:
1. In the event that the Resident's Health Care Proxy has been provided to the Operator, and that person is not the Resident's Representative or the Resident's legal Representative, the Operator shall notify the Resident's Health Care Proxy to make medical decisions when the Resident is unable to make such decisions for himself or herself.

XII. Termination and Discharge

- A. This Residency Agreement and residency in the Residence may be terminated in any of the following ways:
1. By mutual agreement between You and the Operator;
 2. Upon thirty (30) days' notice from You or Representative to the Operator of Your intention to terminate the agreement and leave the Residence. This notice is required regardless of your reason for termination of this Agreement;
 3. Upon 30 days written notice from the Operator to You, Your Representative, Your next of kin, the person designated in this Agreement as the responsible party and any person designated by You. Involuntary termination of a Residency Agreement is permitted only for the reasons listed below, and then only if the Operator initiates a court proceeding and the court rules in favor of the Operator.
- B. The grounds upon which involuntary termination may occur are:
1. You require continual medical or nursing care which the Residence is not permitted by law or regulation to provide;
 2. If your behavior poses imminent risk of death or imminent risk of serious physical harm to You or anyone else;
 3. You fail to make timely payment for all authorized charges, expenses and other assessments, if any, for services, including use and occupancy of the premises, materials, equipment and food which You have agreed to pay under this Agreement. **If Your failure to make timely payment resulted from an interruption in Your receipt of any public benefit to which You are entitled, no involuntary termination of this Agreement can take place unless the Operator, during the thirty (30)-day period of notice**

of termination, assists You in obtaining such public benefits or other available supplemental public benefits. You agree that You will cooperate with such efforts by the Operator to obtain such benefits;

4. You repeatedly behave in a manner that directly impairs the well-being, care or safety of Yourself or any other Resident, or which substantially interferes with the orderly operation of the Residence;
5. The Operator has had his/her operating certificate limited, revoked, temporarily suspended or the Operator has voluntarily surrendered the operation of the Residence;
6. A receiver has been appointed pursuant to Section 461-f of the New York State Social Services Law and is providing for the orderly transfer of all residents in the Residence to other residences or is making other provisions for the Residents' continued safety and care.

If the Operator decides to terminate the Residency Agreement for any of the reasons stated above, the Operator will give You a notice of termination and discharge, which must be at least thirty (30) days after delivery of notice, and include the reason for termination, a statement of Your right to object and a list of free legal advocacy resources approved by the New York State Department of Health.

You may object to the Operator about the proposed termination and may be represented by an attorney or advocate. If You challenge the termination, the Operator, in order to terminate, must institute a special proceeding in court. You will not be discharged against Your will unless the court rules in favor of the Operator.

While legal action is in progress, the Operator must not seek to amend the Residency Agreement in effect as of the date of the notice of termination, fail to provide any of the care and services required by Department regulations and the Residency Agreement, or engage in any action to intimidate or harass You.

Both You and the Operator are free to seek any other judicial relief to which they may be entitled.

The Operator must assist You if the Operator proposes to transfer or discharge You to the extent necessary to assure, whenever practicable, Your placement in a care setting which is adequate, appropriate and consistent with Your wishes.

XIII. Transfer

- A. Notwithstanding the above, an Operator may seek appropriate evaluation and assistance and may arrange for Your transfer to an appropriate and safe location, prior to termination of a Residency Agreement and without 30 days' notice or court review, for the following reasons:

1. When You develop a communicable disease, medical or mental condition, or sustain an injury such that continual skilled medical or nursing services are required;
 2. In the event that Your behavior poses an imminent risk of death or other serious physical injury to himself/herself or others;
 3. When a Receiver has been appointed under the provisions of New York State Social Services Law and is providing for the orderly transfer of all Residents in the Residence to other residences or is making other provisions for the Residents' continued safety and care
- B. If you are transferred, in order to terminate Your Residency Agreement, the Operator must proceed with the termination requirements as set forth in Section XIII of this Agreement, except that the written notice of termination must be hand delivered to You at the location to which You have been transferred. If such hand delivery is not possible, then notice must be given by any of the methods provided by law for personal service upon a natural person.
- C. If the basis for the transfer permitted under parts 1 and 2 of this Section no longer exists, You are deemed appropriate for placement in this Residence and if the Residency Agreement is still in effect, You must be readmitted.

XIV. Resident Rights and Responsibilities

Attached as Exhibit X and made a part of this Agreement is a Statement of Resident Rights and Responsibilities. This Statement will be posted in a readily visible common area in the Residence. The Operator agrees to treat You in accordance with such Statement of Resident Rights and Responsibilities, and you agree to meet the responsibilities stated therein.

XV. Complaint Resolution and Resident Council

The Operator's procedures for receiving and responding to resident grievances and recommendations for change or improvement in the Residence's operations and programs are attached as Exhibit XV and made a part of this Agreement. In addition, such procedures will be posted in a readily visible common area of the Residence. The Operator agrees that the Residents of the Residence may organize and maintain councils or such other self-governing body as the Residents may choose. The Operator agrees to address any complaints, problems, issues or suggestions reported by the Residents' Organizations and to provide a written report to the Residents' organization that address the same.

Complaint handling is a direct service of the Long Term Care Ombudsman Program. The Long Term Care Ombudsman is available to identify, investigate and resolve Your complaints in order to assist in the protection and exercise of Your rights.

XVI. Non-Medical Companion Care Services

Resident may hire private non-medical companion care services as sitters, provided that such companion care personnel hired by Resident comply with all applicable policies and procedures of Operator. These companion personnel are employed by Resident and are NOT employees of Operator. Such companion personnel are not covered by Operator's liability or worker's compensation insurance, nor are they entitled to any of the benefits Operator provides to its employees. Operator does not permit companion care providers to provide medical services within the Community. Any companion personnel may be required to attend an orientation provided by Operator to ensure knowledge and adherence to the Resident Handbook and House Rules and provide a copy to Operator of a background screening consistent with the background screening requirements then imposed and performed by Operator with respect to agents and employees of Operator. Any assistance by Operator in choosing an appropriate private duty personnel shall in no way be deemed an endorsement of a particular agency, and Operator shall in no way be deemed responsible for the acts or failure to act of any such companion personnel.

XVII. Photo Waiver (Optional)

Pursuant to New York State Department of Health regulations, Operator will include your photo in your Medication Assistance Record. The Operator also seeks your consent to use your photograph in other Residence publications. The photo waiver is included in Exhibit XVII.

XVIII. Pet Addendum

Residents are permitted to have certain pets, in accordance with the Pet Policy set forth in Exhibit XVIII and upon execution of the Pet Addendum to this Agreement, both of which are found in Exhibit XVIII

XIX. Force Majeure

Operator shall not be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations under this Agreement for any reason beyond its control, including, but not limited to, acts of God, acts of war, flood, storms, embargoes, shortage of supply, shortages of labor, labor strikes or statutory regulations or rules of any federal, state or local government or any agency thereof and Resident shall not be entitled to any adjustments or discounts to the charges thereunder.

XX. Miscellaneous Provisions

A. This Agreement constitutes the entire Agreement of the parties.

- B. This Agreement may be amended upon the written agreement of the parties; provided however, that any amendment or provision of this Agreement not consistent with the statute and regulation shall be null and void.
- C. The parties agree that assisted living residency agreements and related documents executed by the parties shall be maintained by the Operator in files of the Residence from the date of execution until three years after the Agreement is terminated. The parties further agree that such agreements and related documents shall be made available for inspection by the New York State Department of Health upon request at any time.
- D. Waiver by the parties of any provision of this Agreement which is required by statute or regulation shall be null and void.

TIERED FEE ARRANGEMENTS

The care needs of the Resident are evaluated prior to move in and at regular intervals thereafter to determine the resident's appropriate level of care.

Description of Basic Rate

Housing Accommodations & Basic Services

Basic Services include case management services, wellness checks and blood pressure monitoring, basic assistance with personal care including up to 30 minutes per day of assistance with bathing, grooming, dressing, toileting, ambulation, transferring, feeding, medication acquisition, storage and disposal, assistance with self-administration of medication, monitoring (including an emergency call system with 24 hour response), development of an Individualized Service Plan including on-going review and revision as necessary, utilities including basic cable TV (but excluding upgraded cable and telephone services), three restaurant style meals each day, snack, stimulating activities and social events, Community-scheduled transportation, weekly housekeeping and laundry service, and maintenance of the apartment, common areas and grounds.

Level of Care Fee

Operator uses a "tiered" level of care structure, with each level corresponding to a specific amount and type of services to be provided. To determine the level of assistance with activities of daily living that Resident requires, Operator will complete an initial assessment, in consultation with Your physician, and develop a service plan ("Service Plan") prior to move-in. Regularly thereafter, whenever there are significant changes in Your needs; upon Your physician's request; and every 6 months after your move-in. Operator will reassess Resident. Periodically, Resident's Service Plan level may be adjusted, with a copy of the adjusted Service Plan provided to Resident. The amount of the Level of Care Fee is determined by assigning Resident to a level of care based on the assessment process and Service Plan described above. If Resident's reassessment requires changes to Resident's Service Plan, then the Level of Care Fee will be updated correspondingly. The levels of care and Level of Care Fees assigned to each level (as in effect as of the date of this Agreement) are more particularly described below.

I. **CARE.** If the comprehensive assessment indicates that You require services in excess of the Basic Services (referred to as Level 0), then you will be placed in one of the additional Levels of Care and you will be required to pay the associated additional fee in accordance with the fee structure below. Regarding Enhanced Assisted Living Services, those similarly are measured by the anticipated amount of time to provide such services and are included within the applicable Level of Care below. Please see Enhanced Assisted Living Residence Addendum to Residency Agreement for additional information.
