Summary of Services (consistent language)	ALR communities offer an apartment with three restaurant style meals each day, stimulating activities and social events, scheduled transportation, access to Atria's wellness program, weekly housekeeping and laundry service, maintenance of the apartment, 24-hour emergency call system, common areas and grounds, snacks, supervision, case management, all utilities except cable and telephone and, where needed, assistance with some personal care (e.g., bathing and dressing) and medication assistance. EALR services are additional care services that are provided in an ALR community, as outlined in the residency agreement. SNALR services are for those residents who choose to live in an ALR, but need to reside in a neighborhood designed to support memory care assistance. <i>Disclaimer: These services are a summary and not exhaustive. Additional Details can be found in the Link below for Approved Residency Agreement.</i>

Cost for Additional Services – Tier billing or other	<i>Residents who receive assistance with care services, (including those services provided under an EALR license) are charged on a tiered billing system as noted in the residency agreement. Please see the following link to the residency agreement for additional details: [link]</i>
