II. Disclosure Statement

The Operator is disclosing information as required under Public Health Law Section 4568 (3). Such disclosures are contained in Exhibit I, which is attached to and made part of this Agreement. Among the items to be disclosed are a statement listing The Chelsea at Brookhaven's licensure status; a statement that the resident shall have the right to receive services from service providers with whom the Operator does not have an arrangement; a statement that the resident shall have the right to choose their health care providers, notwithstanding any agreements to the contrary; and a statement regarding the availability of Long-Term Care Ombudsman Services and the telephone number of the local and State Ombudsman.

III. Fees

A. Basic Rate

The Chelsea at Brookhaven uses a Tiered Basic Rate system, wherein the monthly Basic Rate includes the Primary Services Fee and Level of Care fee, if applicable, as described below (together, the "Total Monthly Basic Rate").

1. Primary Services Fee. The Resident will pay to The Chelsea at Brookhaven a fee for the Primary Services (the "Primary Services Fee") in an amount indicated in Exhibit B: Schedule of Fees. The Primary Services Fee is billed in advance, on the 20th day of the previous month and payment is due by the 5th day of the month to which billing applies, except that the first payment of the Primary Services Fee is due at the time this Agreement is executed. The Primary Service Fee as of the date of this agreement is (\$____ per 30-day month) or (\$____ per day).
2. Level of Care Fee. In the event that The Chelsea at Brookhaven provides the Resident personal care beyond 3.75 hours a week and health care services beyond the periodic wellness assessment included in the Primary Services Fee as per an evaluation by the nurse and case manager, the Resident will pay to The Chelsea at Brookhaven a fee in an amount indicated in Exhibit E: Level of Care Fees and Exhibit F: Level of Care Fee in Special Needs Assisted Living (Memory Care). The level of care fee arrangement is set forth in detail in Exhibit E and Exhibit F (Memory Care), and made a part of this Agreement. Such exhibit describes the types of services provided and the fees for each level of care. All care charged for in the tiers described in Exhibits E and F is provided by staff of the Operator.

Movement between tiers is determined by the Resident's increasing or decreasing needs. The charges for changed tiers will take effect on a pro-rata basis on the date the Residents needs change. If the Basic Rate is adjusted for reasons other than a change in the level of care, the Resident will be given the notice required (not less than 45-days written notice).

The Chelsea at Brookhaven

B. Supplemental, Additional or Community Fees

1. Suite Reservation Fee. A \$ _____ Suite Reservation Fee is required to reserve a suite during the application process. This fee is completely refundable within 30 days of the execution of this Agreement if the Resident decides not to take up residence at The Chelsea at Brookhaven. Once an individual has taken up residence at The Chelsea at Brookhaven, this fee is applied to the Community Fee
2. Community Fee. The Community Fee is a one-time fee the Operator may charge at the time of admission. Community Fee is used to help offset the costs associated with the furnishing and upkeep of the common areas, as well as the care of the gardens and landscaping. The Community Fee is a one-time fee equal to the daily Primary Services fee (as defined in Section III.A.1 and as shown on Exhibit B) times 30 days. It is non-refundable subsequent to thirty (30) days after the Move-In Date (defined in Section III.D.1). Within the first thirty (30) days, the Community Fee is refunded. The prospective Resident, once fully informed of the terms of the Community Fee, may choose whether to accept the Community Fee as a condition of residency in The Chelsea at Brookhaven, or to reject the Community Fee and thereby reject residency at The Chelsea at Brookhaven.
3. Telephone Fees. If outside phone service is to be connected, the Resident must contact the telephone company to arrange for phone service. The Resident is responsible for all phone service charges, including cell phone charges. The telephone company will bill the Resident directly.
4. Additional Services Fee. A Supplemental or Additional fee is a fee for service, care, or amenities that is in addition to those fees included in the Basic Rate. A Supplemental fee must be at Resident option. In some case, the law permits the Operator to charge an additional fee without the express written approval of the Resident (See section III.E). Any charges by the Operator, whether part of the Basic Rate, Supplemental, Additional or Community fee (see section III.B.2), shall be made only for services and supplies that are actually supplied to the Resident.

In the event that The Chelsea at Brookhaven provides the Resident any additional services identified in Section I.C.3 of this Agreement, the Resident will pay to The Chelsea at Brookhaven a charge for each additional service, in amounts indicated in the Schedule of Fees. If The Chelsea at Brookhaven provides an additional service agreed to by the parties in writing, but not identified in Section I.C.3, the Resident will pay to The Chelsea at Brookhaven the agreed to charge for the service. The Operator agrees to provide these additional services and supplies to residents who receive Supplemental Security Income (SSI) or Safety Need Assistance (SNA) payments at a charge that is reasonably related to the cost of the services or supplies. All charges for additional services, if any, are billed monthly and are due within 15 days of the statement date.

The Chelsea at Brookhaven

C. Rate or Fee Schedule

Attached as Exhibit B and made a part of this Agreement is a rate or fee schedule covering both the Basic Rate, as defined in Section III.A above, and any Additional, Supplemental or Community fees, with a detailed explanation of which services, supplies, and amenities are covered by such rates, fees, or charges.

D. Billing and Payment Terms

1. Move-In Date. This Agreement will commence on the date first set forth on Page 1 (the "Move-In Date") and will continue on a month-to-month basis, unless terminated by either party in accordance with the provision of Section XIII below.
2. Monthly Statement. The Chelsea at Brookhaven will provide the Resident with a monthly statement itemizing the month's fees, charges and payments received, and showing the balance due. Payments shall be delivered to Executive Director or Business Office Manager, The Chelsea at Brookhaven, 1 Meadow Lane, Yaphank, New York 11980. The Resident will pay a late payment fee (the "Late Payment Fee") in an amount indicated in the Schedule of Fees for any month in which the entire balance due is not paid within 15 days of the statement date. The Resident or Responsible Party, if any, has the right to contest that there has been late payment or that such sums are actually due under this Agreement, and that in the event of such dispute, no late charges shall be imposed unless ordered by a court of competent jurisdiction, or unless otherwise agreed to by the parties. The Resident will pay all costs and expenses, including without limitation, reasonable attorneys' fees, court costs, and collection fees incurred by The Chelsea at Brookhaven in collecting amounts past due under this Agreement as determined by a court of competent jurisdiction.

In the event the Resident, Resident's Representative, or Resident's Legal Representative is no longer able to pay for services as outlined in this Residency Agreement and deemed necessary by the Resident's physician, the Resident, Resident's Representative, or Resident's Legal Representative, as appropriate, must inform the Administrator or designee as soon as possible. A failure to make payments may entitle The Chelsea at Brookhaven to terminate this Residency Agreement in accordance with the Termination provisions in Section XIII below.

3. Related Second Resident. A spouse or other immediate family member may occupy the Suite with Resident (the "Related Second Resident") subject to the following conditions all as determined by The Chelsea at Brookhaven in its sole discretion: (1) the Related Second Resident must meet all requirements for admission; (2) the Related Second Resident must sign a separate residency agreement; and (3) the Related Second Resident must pay the second person fee and all applicable level of care charges. If one person permanently vacates the Suite, the remaining resident shall have the option of: (1) retaining the same Suite,

The Chelsea at Brookhaven

paying for private occupancy, less the second person fee and any other level of care charges; (2) relocating to a single occupancy suite, if available; or (3) relocating to a double occupancy suite, if available, and paying for semi-private occupancy.

4. Unrelated Second Resident. A person unrelated to the Resident may occupy the Suite with Resident (the "Unrelated Second Resident") so long as the Unrelated Second Resident has signed a separate Residency Agreement. If one person permanently vacates the Suite, the remaining resident shall have the option of: (1) retaining the same Suite and paying for private occupancy; or (2) relocating to a single occupancy suite, if available; or (3) relocating to a double occupancy suite, if available, and paying for semi-private occupancy.
5. Payor Information and Funding Source. If The Chelsea at Brookhaven has made a reasonable determination that the Resident either lacks the current capacity to manage his or her financial affairs or the financial means to assure payment due under this Residency Agreement, then The Chelsea at Brookhaven may request that the Resident identify an individual who is willing to provide certain assistance to or on behalf of the Resident in the event that such assistance is necessary, and who is willing to pay the Resident's financial obligations to The Chelsea at Brookhaven under the Residency Agreement in the event that the Resident does not make payments when due (the "Responsible Party"). The Responsible Party has joined in this Agreement by executing the Responsible Party Agreement attached as Exhibit J and made a part of this Agreement. By executing this Agreement, the Resident or his or her Responsible Party is obligated to make payments promptly under this Agreement.
6. Death. In the event of the Resident's death, this Agreement will terminate when all personal effects are removed from the Suite. Until the Suite is vacated and all personal property is removed from the Suite, the Resident or the Resident's Estate shall remain liable for all fees and charges due under this Agreement.

E. Adjustments to Basic Services Rate or Additional or Supplemental Fees

1. Upon any change in fees and after the Operator gives the resident the required 45-day written notice of the increase (see Section III.E.3), The Chelsea at Brookhaven will provide the Resident with an amended Schedule of Fees or other amendment to this Agreement for signature. The Resident agrees to sign the amended Schedule of Fees or other amendment to this Agreement and pay all applicable new or increased fees and charges, unless the Resident terminates this Agreement prior to the effective date of the fee or charge increase.
2. Since a Community Fee is a one-time fee, there can be no subsequent increase in a Community Fee charged to the Resident by the Operator, once the Resident has been admitted as a resident.
3. The Resident has the right to written notice of any proposed increase of the

The Chelsea at Brookhaven

Primary Services Fee or any additional or supplemental fees not less than forty-five (45) days prior to the effective date of the rate or fee increase, subject to the following exceptions:

- a. If the Resident or the Resident's Representative or the Resident's Legal Representative agree in writing to a specific rate or fee increase through an amendment of this Agreement, due to the need for additional care, services, or supplies, the Operator may increase such rate or fee upon less than forty-five (45) days written notice.
- b. If the Operator provides additional care, services or supplies upon the express written order of the Resident's primary physician, the Operator may, through an amendment to this Agreement, increase the Basic Rate or any additional or supplementary fee upon less than forty-five (45) days' written notice.
- c. In the event of any emergency that affects the Resident, the Operator may assess such additional charges for Your benefit as are reasonable and necessary for services, material, equipment and food supplied during such emergency.

F. Bed Reservation

1. Temporary Absences. The Chelsea at Brookhaven agrees to reserve the Resident's Suite in the event of the Resident's absence, including, but not limited to, times when the Resident is on vacation or when the Resident has been transferred temporarily to a skilled nursing facility, or if the Resident has been transferred to an outside health care facility. The charge for this reservation is the Resident's Primary Services Fee (as defined in Section III.A.1 and as shown on Exhibit B; the total daily rate for a one-month period may not exceed the established monthly rate). The Chelsea at Brookhaven will reserve the Resident's Suite for as long as the Resident continues to pay the Primary Services Fee. This provision to reserve the Suite does not supersede the requirements for termination set forth in Section XIII of this Agreement. The Resident may choose to terminate this Agreement rather than reserve such Suite, but must provide The Chelsea at Brookhaven with the 30-days written notice required in Section XIII.B. The Resident is not entitled to any discounts from the Primary Services Fee during such absences. The Resident will not be billed for the Level of Care Fee or for additional services identified in Section I.C.3 beginning on the 15th consecutive day of absence. In the event of a temporary absence from The Chelsea at Brookhaven (more than 14 consecutive days), The Chelsea at Brookhaven will issue any applicable credit fees starting on the 15th day.
2. Notice of Absences. The Resident, the Resident's Representative, if applicable, and the Resident's Legal Representative, if applicable, shall notify the Executive Director or his or her Designee if the Resident will be absent from The Chelsea at Brookhaven for any period of time. The Chelsea at Brookhaven assumes no

The Chelsea at Brookhaven

responsibility for the Resident's welfare during times the Resident is away from The Chelsea at Brookhaven.

IV. Refund/Return of Resident Monies and Property

Upon termination of this Agreement or at the time the Resident's discharge, but in no case more than three (3) business days after the Resident leaves The Chelsea at Brookhaven, the Operator must provide the Resident/Resident's Representative or any person designated by the Resident with a final written statement of the Resident's payment and personal allowance accounts at The Chelsea at Brookhaven. The Resident will be charged for the day of Admission up through and including the day of discharge ("the Discharge Date"). If the Resident or the Resident's Representative or Legal Representative fail to remove the Resident's belongings and personal property from the Resident's room prior to the Discharge Date, the Operator will continue to assess the Primary Services Fee (as defined in Section III.A.1 and set forth on Exhibit B) until the Resident's belongings and personal property are removed from The Chelsea at Brookhaven. The amount charged will be prorated from the Discharge Date to the date the Resident's belongings and personal property are removed from The Chelsea at Brookhaven. The Resident agrees that The Chelsea at Brookhaven may dispose any unclaimed property forty-five (45) days after the Discharge Date for any reason and by any party

The Operator must also return at the time discharge, but in no case more than three (3) business days any of the Resident's money or property that comes in to the possession of the Operator after the Resident's discharge. The Operator must refund on the basis of a per diem proration of any advance payment(s) which the Resident has made.

If the Resident dies, the Operator must turn over the Resident's property to the legally authorized representative of the Resident's estate. If the Resident dies without a will and the whereabouts of the Resident's next of kin is unknown, the Operator shall contact the Surrogate's Court of the County wherein The Chelsea at Brookhaven is located in order to determine what should be done with property of the Resident's estate. The Residency Agreement will not terminate until the first full day after the Resident's Representative removes all of the Resident's belongings from the Unit.

Any refunds due and issued after the Resident's demise will be made payable to the Resident's estate, or to the following representatives:

V. Transfer of Funds or Property to Owner/No Transfer of Ownership

Except for the payment of those fees and charges identified in Section III or elsewhere in this Agreement, The Chelsea at Brookhaven does not require the Resident to transfer to The Chelsea

The Chelsea at Brookhaven

at Brookhaven ownership of any property, real estate, money, or financial investments, either at the time of admission or at any future date.

VI. Property or Items of Value Held in the Operator's Custody

Subject to Section IX, The Chelsea at Brookhaven will not hold in custody the Resident's money, property, or things of value.

VII. Fiduciary Responsibility

If the Operator assumes management responsibility over the Resident's funds pursuant to Section IX of this Agreement, the Operator shall maintain such funds in a fiduciary capacity. Any interest on money received and held for the Resident by the Operator shall be the Resident's property.

VIII. Tipping

The Operator must not accept, nor allow staff or agents of The Chelsea at Brookhaven to accept, any tip or gratuity in any form for any services provided or arranged for as specified by statute, regulation or agreement.

IX. Personal Allowance Accounts

The Operator agrees to offer to establish a personal allowance account for any resident who receives either Supplemental Security Income (SSI) or Safety Net Assistance (SNA) payments by executing a Statement of Offering (DOH-5195) with the resident or his representative.

The resident agrees to inform the operator if he/she receives or has applied for SSI or SNA funds.

The resident or the resident's representative shall complete the following:

I receive SSI funds () or I have applied for SSI funds ()
I receive SNA funds () or I have applied for SNA funds ()
I do not receive either SSI or SNA funds ()
Other: _____

If a signatory to this Agreement other than the Resident chooses not to place the Resident's personal allowance funds in an account maintained by The Chelsea at Brookhaven, then that signatory hereby agrees that he/she will comply with the Supplemental Security Income (SSI) or Safety Net Assistance (SNA) personal allowance requirements.

X. Admission and Retention Criteria for Assisted Living Residence

- A. Admission and Retention Criteria. Under the law, which governs Assisted Living Residences (Public Health Law Article 46-b), the Operator shall not admit nor retain any

The Chelsea at Brookhaven

Resident if the Operator is not able to meet the care needs of the Resident within the scope of services authorized under such law and within the scope of services determined necessary within the Resident's Individualized Service Plan (ISP). An Operator shall not exclude an individual on the sole basis that such individual is a person who primarily uses a wheelchair for mobility, and shall make reasonable accommodations to the extent necessary to admit such individuals, consistent with the Americans with Disabilities Act of 1990, 42 U.S.C. 12101 et. seq. and with the provisions of those sections. The Operator shall not admit any Resident in need of 24-hour skilled nursing care. The Operator shall conduct an initial pre-admission evaluation of a prospective Resident to determine whether or not the Resident is appropriate for admission. The Operator has conducted this evaluation of the Resident and has determined that the Resident is appropriate for admission to The Chelsea at Brookhaven and that the Operator is able to meet the Resident's care needs within the scope of services authorized under the law and within the scope of services determined necessary for the Resident under the Resident's individualized services plan.

Should the Operator determine the Resident is no longer appropriate for residency in the Basic Residence, the Operator will take appropriate action to terminate this Agreement, pursuant to Section XIII of the Agreement.
3. If the Resident reaches a point where he/she is in need of twenty-four (24) hour skilled nursing or medical care that is required to be provided by a hospital, nursing home or a facility licensed under the Mental Hygiene Law, the Operator will initiate proceedings for the termination of this Agreement and to discharge the Resident from residency, unless each of the following conditions are met:
 - a. The Resident/Resident's Representative/Legal Guardian hires certified nursing, medical or hospice staff to care for the Resident's increased needs; and
 - b. The Resident's physician and home care services agency both determine and document that with the provision of such additional nursing, medical, or hospice care, the Resident can be safely cared for in The Chelsea at Brookhaven, and would not require placement in a hospital, nursing home or other facility licensed under Public Health Law Article 20 or Mental Hygiene Law Articles 19, 31, or 32; and
 - c. The Operator agrees to retain the Resident and to coordinate the care provided by the Operator and the additional nursing, medical or hospice staff.

The Chelsea at Brookhaven

- B. Discharge Criteria and Policies. The Resident acknowledges that he or she may be deemed to have needs beyond those The Chelsea at Brookhaven is licensed to provide. If it is determined through an evaluation completed by a physician or licensed nurse and documented in the Resident's record that a Resident's needs meet any of the below characteristics (and any other characteristics set forth in Public Health Law Article 28, Mental Hygiene Law Articles 19, 31,; or N.Y.C.R.R Title 18: Part 488 Section 488.4), The Chelsea at Brookhaven will notify the Resident that he or she must be transferred to the appropriate care setting:

 8. The Resident is chronically bedfast and not on Hospice Program;
 9. The Resident suffers from a communicable disease or health condition which constitutes a danger to other Residents and staff;

XIII. Termination and Discharge

- A. Termination by Resident. The Resident may terminate this Agreement at any time and for any reason upon thirty (30) days prior written notice to The Chelsea at Brookhaven's Executive Director. The notice must identify the date when the termination is to become effective, which must be at least thirty (30) days after the date of the notice, and the Resident's intent to terminate this Agreement and leave The Chelsea at Brookhaven. The Resident will be responsible for The Chelsea at Brookhaven's charges until the end of the notice period.
- B. Termination by The Chelsea at Brookhaven. The Chelsea at Brookhaven may terminate this Agreement upon thirty (30) days' prior written notice to the Resident, the Resident's Representative, the Resident's next of kin, the Responsible Party, and any other person designated by Resident. Involuntary termination of this Agreement is permitted only for the reasons listed below, and then only if the Operator initiates a court proceeding and the court rules in favor of the Operator. The reasons for involuntary termination are:
 - 1. The Resident requires continual medical or nursing care or services that The Chelsea at Brookhaven is not licensed to provide (see Section X.B: Discharge Criteria and Policies);
 - 2. The Resident's behavior poses imminent risk of death or imminent risk of serious physical harm to the Resident or others;
 - 3. Failure of the Resident or Responsible Party to make timely payment for any authorized fees and charges when due; if the failure to make timely payment resulted from the interruption of the Resident's receipt of any public benefit to which the Resident is entitled, the Operator must assist the Resident in obtaining such public benefits or other available supplemental public benefits during the thirty-day period of notice of termination before termination of this Residency Agreement can take place.
 - 4. The Resident is habitually disruptive, creates unsafe conditions, or is physically or verbally abusive to other residents or staff, or repeatedly behaves or socializes in a way that directly impairs the well-being, care, or safety of the Resident or that substantially interferes with the orderly operation or enjoyment of The Chelsea at Brookhaven by other residents; or

If The Chelsea at Brookhaven decides to terminate the Residency Agreement for any of the reasons stated above, The Chelsea at Brookhaven must give the Resident a notice of termination and discharge. The notice will include: the date of termination, which must be at least 30 days after delivery of notice, the reason for the termination, a statement of the Resident's right to object, and a list of free legal advocacy resources approved by the New York State Department of Health.

The Resident may object to the proposed termination and may be represented by an attorney or advocate. If the Resident challenges the termination, The Chelsea at Brookhaven must institute a special proceeding in court in order to terminate the Residency Agreement, and The Chelsea at Brookhaven cannot discharge the Resident unless the court rules in favor of the Operator. While legal action is in progress, The Chelsea at Brookhaven cannot seek to amend the Residency Agreement in effect as of the date of the notice of termination, fail to provide any of the care and services required by Department regulations and the Residency Agreement, or engage in any action to intimidate or harass the Resident.

Both the Resident/Resident's Representative/Resident's Legal Representative and the Operator are free to seek any other judicial relief to which they may be entitled.

The Operator will assist the Resident/Resident's Representative/Legal Guardian, to the extent necessary to assure, whenever practicable, the Resident's placement in a care setting, which is adequate, appropriate and consistent with the Resident's/Resident's Representative/ Legal Guardian's wishes.

- A. Transfer. The Chelsea at Brookhaven may seek appropriate evaluation and assistance and may arrange for the Resident's transfer to an appropriate and safe location, prior to termination of the Residency Agreement and without thirty (30) day notice or court review, for the following reasons:

The Chelsea at Brookhaven

2. In the event the Resident's behavior poses an imminent risk of death or serious physical injury to him/herself or others; or
3. When a Receiver has been appointed under the provisions of New York State Social Services Law and is providing for the orderly transfer of all Residents in The Chelsea at Brookhaven to other Residences or is making other provisions for the Residents' continued safety and care.

If the Resident is transferred, in order to terminate the Residency Agreement, The Chelsea at Brookhaven will proceed with the termination requirements set forth in Section XIII of this agreement, except that the written notice of termination must be hand delivered to the Resident at the location to which the Resident has been moved. If such hand delivery is not possible, then the notice must be given by any of the methods provided by law for personal service upon a natural person.

If the basis for transfer permitted under parts 1 and 2 above of this Section no longer exists, the Resident is deemed appropriate for placement in The Chelsea at Brookhaven and if the Residency Agreement is still in effect, the Resident must be readmitted.

3. In the event The Chelsea at Brookhaven does consent to the use of an Electronic Device, the following provisions shall apply:
 - i. Resident or Resident's legal representative shall be required to sign a separate, written consent. The Resident shall have the right to refuse consent and this refusal shall take precedence over the insistence of any family member's or third party's request to monitor or record such Resident. If the Resident is in a multi-person room, the separate, prior written consent of each roommate must be obtained prior to the installation or use of an Electronic Device.  - v. All recordings must be for Resident's sole personal use. Resident shall not hold The Chelsea at Brookhaven liable for Resident's use of any recordings made and in Resident's possession.
 - vi. Any recording purporting to show any act of abuse, neglect, or other willful misconduct must be immediately provided to The Chelsea at Brookhaven. Any recording to be used in any proceeding alleging a claim or complaint against The Chelsea at Brookhaven must be immediately provided to The Chelsea at Brookhaven.

The Chelsea at Brookhaven

- vii. The Chelsea at Brookhaven may, but has no obligation to, make requests for copies of recording from the use of an Electronic Device. Any recording provided to The Chelsea at Brookhaven shall become part of the Resident's file. Resident acknowledges that copies of any recordings in The Chelsea at Brookhaven' possession may be subject to inspection by government agencies or may be requested as part of any litigation or adverse proceeding.
 - viii. Resident acknowledges that other individuals may be captured on any recordings made and that those individuals may have certain legal protections with respect to their privacy that must be respected. The legal protections of other individuals may supersede The Chelsea at Brookhaven' consent to Resident's use of an Electronic Device.
4. Monitoring or recording without the consent of Resident, Resident's legal representative, or The Chelsea at Brookhaven (including but not limited to covert monitoring or recording) is prohibited. If discovered, The Chelsea at Brookhaven can require Resident or Residents legal representative to immediately remove the Electronic Device or to take all action to comply with that section, and The Chelsea at Brookhaven further reserves all other rights available in law and equity.
5. Resident, Resident's Representative, or Resident's legal representative, if any, agree to defend, indemnify and hold harmless The Chelsea at Brookhaven and its employees and agents (each, an "Indemnitee," and collectively, the "Indemnitees") from and against any and all losses, claims, actions, damages, liabilities, costs and expenses (including reasonable attorneys' fees, and expenses) (collectively, "Losses") relating to or arising from or in connection with (i) any breach of this Section XV.B by Resident, his representatives, agents, visitors, or guests; (ii) any litigation, action, claim, proceeding or investigation by any third party relating to or arising out of the use of an Electronic Device by Resident, his representatives, agents, visitors, or guests; and (iii) the enforcement by the Indemnitees of its rights pursuant to this Paragraph 4, and any litigation, proceeding or investigation relating to any of the foregoing. The Resident, Resident's Representative, and Resident's Legal Representative, as applicable, understands that they retain any and all rights under law and equity to contest the imposition of any Losses and to assert any actions or claims they have against the Operator for losses, damages, liabilities, obligations, property damages or other expenses of any type (including attorney's fees and court costs) as ordered by a court of competent jurisdiction resulting from, arising out of, or related to the acts or omissions of the Operator or its employees, agents or contractors.
