Cost for Additional Services – Tier billing or other	At High Point Cener for Care we offer four (4) tiered pricing for the services provided in Assisted Living. These levels of care are determined based on the resident's individual care needs determined after completing the assessment. Basic Level of Care includes the housing accommodations, a minimum of 3.75 hours of personal care and medication management services each week. Higher care levels also include additional personal care and medication management services as required by the Resident. The Enhanced Level are for residents who desire to continue to age in place and who chronically require the physical assistance of another person to walk; chronically require the physical assistance of another person to climb or descend stairs; are dependent on medical equipment and require more than intermittent or occasional assistance from medical personnel; have chronic unmanaged urinary or bowel incontinence; and/or require services offered by High Point Center for Care under its EALR certification. All new admissions are required to pay a one (1) time non-refundable community fee equal to the cost of the Basic Level of care. If a resident is interested in having a pet, a one-time pet fee of \$500 is required. Residents will be charged for any services received in the Beauty Salon, as well as for any outings that take place off campus.
