Dear Medicaid Administrator:

RE: Revised January, April and October 2022 Medicaid Fee-For Service (FFS) Post Appeal 90 Day Certified Home Health Agency (CHHA) Pediatric Rates

These Calendar Year (CY) 2022 pediatric cost-based rates have been revised to correct a system calculation issue. The initial 2022 Pediatric Regional Group Ceilings and the Statewide Average Admin Cap calculations used only Pediatric CHHA CY 2020 Cost Report submissions. The system has been updated and rates have been re-calculated consistent with past practice, using all CHHA FFS data.

The latest 2022 Medicaid Fee-for-Service rate sheets for the CHHA providers are available on the Health Commerce System (HCS) Gateway. The Attachment A enclosure provides instructions on how to access the 2022 rate sheets.

Facility-specific pediatric rates are available on the NYS Department of Health's website at: https://www.health.ny.gov/facilities/long_term_care/reimbursement/chha/

These rates will take effect in eMedNY in cycle 2475, with a check release date of February 12, 2025.

If you have any questions, please contact the Bureau via email at chha-rates@health.ny.gov.

Sincerely,

Laura Rosenthal
Bureau Director, Nursing Home and Long Term
