Dear Administrator,

This letter provides you with information regarding the implementation of the 2024 Nursing Home Quality Pool (NHQP) for your nursing home.

The NHQP is an annual budget-neutral pool that was established in accordance with section 2802(2-c)(d) of the Public Health Law. The amount of the pool is \$50 million and was created to incentivize nursing homes across New York State to improve the quality of care for their residents, and to reward homes for quality based on their performance. As a reminder, the methodology for administering the quality pool is attached.

The processing for the 2024 NHQP will take effect in cycle 2563 , with a check release date of October 21, 2026.

If you have any questions regarding these payments and liabilities, please email bimamail@health.ny.gov. For questions regarding the calculation of the NHQP, please email NFRates@health.ny.gov.

Sincerely,
