

STATE OF NEW YORK
PUBLIC HEALTH AND HEALTH PLANNING COUNCIL
AD HOC COMMITTEE ON NURSING HOME CERTIFICATE OF NEED

AGENDA

Monday, November 3, 2025

3:00 PM-4:30 PM

Via Live Webcast

<https://www.health.ny.gov/events/webcasts/>

I. Welcome, Introductions and Refresh Committee Goal and Objectives

Presenter -Scott LaRue

- **Overview** -To examine current policies and practices governing the review of nursing home Certificate of Need (CON) applications and develop recommendations for the Department of Health (DOH) that could be applied uniformly across all nursing home reviews and utilized in developing project recommendations.
- **Recap** – At the last meeting, we discussed the review processes used to determine an applicant’s qualifications and the relevant experience necessary to operate a nursing home. Today, we will focus on the financial resources that are necessary for successfully operating a facility, and the financial relationships that can impact nursing home operations.

II. Focus Areas for Discussion-

- **Determining the adequacy of finances to support short-and long-term financial sustainability - 30 Minutes**

Presenter - Ken Evans, NYS Department of Health

- **Overview** – The Department of Health will provide a presentation to the Ad Hoc Committee outlining the current financial review process and protocols governing nursing home Certificate of Need (CON) applications as required by Public Health Law 2801-a (3)(c) (establishment) and Public Health Law 2802(3)(d) (construction).

- **Related Party Transactions - 45 Minutes**

Presenters - Amy Held, Paul Mahoney, Office of the Attorney General, NYS Medicaid Fraud Control Unit

- **Overview-** Representatives from the NYS Office of the Attorney General’s Medicaid Fraud Control Unit will provide the Ad Hoc Committee with an overview of related party transactions, litigation in this area and potential impact on nursing home operations.

III. Ad Hoc Committee Questions - 15 minutes

IV. Wrap Up and Next Steps (Scott LaRue)
