IFB C043072

Infectious Disease Scientific Wastewater Testing Supplies

Amendment #4 - Posted on 7/15/2026

The following are official modifications, which are hereby incorporated into IFB C043072 Infectious Disease Scientific Wastewater Testing Supplies. The information contained in this amendment prevails over the original RFP language. For all amendments below, deleted language appears in strikethrough ("~~xxx~~") and added language appears in underline ("xxx").

3.1 Mandatory Qualifications

The Department will only accept Bid proposals from Bidders who meet all of the following specified minimum requirements:

Failure to meet these Minimum Qualifications will result in a Bid being found non-responsive and eliminated from consideration.

- The bidder must (1) have been in continuous business as a supplier of laboratory reagents and consumables for at least one (1) full year prior to the bid opening date and (2) must be an active organization with the New York State Department of State or provide proof of good standing in the bidder's state of incorporation.
