

# MLTC SADC Contracting Roles & Responsibilities Webpage Updated

April 30, 2026

Dear MLTC Health Plan Administrator:

The New York State Department of Health (the Department) is announcing that the [MLTC Plan SADC Contracting and Oversight Roles and Responsibilities](#) webpage on the Social Adult Day Care (SADC) Compliance website now includes information about the SADC readiness verification process. Managed Long Term Care (MLTC) plans must complete the SADC readiness verification process when pursuing a service area expansion, acquisition, merger, or a new line of business.

If you have questions, please reach out to [HCBSADCSiteAssessments@health.ny.gov](mailto:HCBSADCSiteAssessments@health.ny.gov).

Thank you,
