Dear MLTC Plan Administrator,

**Please share with appropriate plan staff.**

The New York State Department of Health (the Department) is announcing that a new webpage: [MLTC Plan SADC Provider Network Data System \(PNDS\) Reporting Best Practices](#) is now available on the [SADC HCBS Compliance website](#).

The purpose of the webpage is to outline best practices for Managed Long Term Care (MLTC) Medicaid Advantage Plus (MAP) and Partial Capitation plans when reporting Social Adult Day Care (SADC) contracts in the Provider Network Data Submission (PNDS) system.

Please review the guidance and follow the best practices for reporting SADC contracts in the next quarterly PNDS submission.
