RE: Clarification #3 for Measurement Year (MY) 2024 Updates

Dear Colleague,

This letter contains information about edits incorporated into the **NYS QARR Value Set** for Measurement Year (MY) 2024 reporting. The updated files are posted on our Managed Care [Information for Health Plans](#) page. The revised specifications should be used in the plans' processing for MY2024 QARR.

This clarification includes the following changes made to the MY2024 QARR reporting requirements.

Change Version	Version Date	Section(s) Changed	Change Summary
3	8/6/2024	NYS QARR Value Set	<ul style="list-style-type: none"> The NYS Other Drug Abuse and Dependence Value_Set_Name label was updated to NYS Other Drug Value Set in the NYS QARR Value Set. The change was made to align with the value set name referenced in the 2024 Quality Assurance Reporting Requirements Technical Specifications for the Continued Engagement in Substance Use Disorder (SUD) Treatment (CET) measure (Pages 13, 14, 15).

If there are any questions about the above edits, or if you find issues or have concerns with the MY2024 Technical Specifications manual or other documents, please email nysqarr@health.ny.gov.

Sincerely,

Paloma Luisi, MPH
