Revalidation Guidance for Doula Services Pilot

If you are a doula who enrolled in NYS Medicaid under the Doula Services Pilot:

- **When required to revalidate your enrollment, a notification letter will be mailed to the correspondence address on your enrollment file.**
- When you receive a letter(s) notifying you to revalidate your enrollment, it is important to follow the guidance posted on the Doula Provider Enrollment & Maintenance webpage and to submit your revalidation by the deadline in the letter.
- **You risk termination from the NYS Medicaid program if you do not revalidate timely.** However, providers are asked **NOT to submit a revalidation package until notified to do so.**
- **Please ensure your enrollment file is kept up to date**, including your correspondence address, so that you receive important notifications about your enrollment, including notices to revalidate. You can confirm or update your address on the [Provider Enrollment Maintenance Portal for Practitioners](#).
- Revalidation information can be found on the Doula Enrollment website: <https://www.emedny.org/info/ProviderEnrollment/doula/>

Reminder: Medicaid Managed Care (MMC) Information

- Doula services will be “carved out” of, or not included in, the MMC plan benefit packages between March 1, 2024 and **March 31, 2025**.
- Effective **April 1, 2025**, doula services will be added to the MMC benefit package.
- **All Medicaid Members who are enrolled in Medicaid FFS or MMC plans are eligible for Medicaid coverage of doula services as of March 1, 2024. Medicaid FFS will cover the services through March 31, 2025 for Medicaid FFS and MMC members.**

Reminders:
