10:30 HARP Update and Group Discussion

the Health Homes.

DOH and OMH representatives will provide an update on the HARP roll-out and the MCO Workgroup. Following the update, CHCS will lead a facilitated discussion among the audience to discuss topics including how Health Homes are preparing for HARP, strategies for enrolling patients, and approaches to educating providers about the program.

He will spend the latter half of the discussion fielding questions from

Doug Fish, New York State DOH; Tom Smith, New York State Office of Mental Health

11:30 Breakout Session #1: Three Years In- Learnings In Depth

Group Discussion

This session will provide an opportunity for the Health Homes to discuss in greater detail the operational learnings, best practices and challenges mentioned in the "Learnings at a Glance" update. Topics such as billing preparedness, staff retention, data management and oversight, and managing relationships with partners may be touched on.

Track 1: Upstate
Track 2: Downstate

12:30 p.m. Networking Lunch

1:15 Online Community and Digital Health Update

Rachel Davis, CHCS

Rachel will provide a quick update on the on-line community, reviewing recent posts and highlighting some upcoming changes designed to make the site more useful and interactive for members. She will also present on CHCS's digital health initiative, including its recent Developer Challenge and forthcoming showcase.

1:20 Harnessing Behavior Change Science to Improve Health Home Outcomes

Will Tucker, Ideas42

In this session, Will Tucker, Vice President of Ideas42, will present on how his organization utilizes behavioral science and economic theories to shape better policies, programs, and interventions targeting low-income individuals. Drawing on examples from other sectors and industries, Health Homes are invited to explore how these approaches might be used to address issues such as patient engagement, improving enrollment rates, and treatment adherence, among others.

2:05 Breakout Session #2: Health Home Development Funds

Group Discussion

In these regional breakout sessions, upstate and downstate Health Homes will share how they are thinking about utilizing development funds, what efforts they have made to date, and any successes, barriers and "lessons learned" so far.
