Dear Ms. Astin:

On behalf of Vanderheyden, please accept this letter as an indication of our interest to submit a Health Home application to Serve Children. We understand that the submission of this Letter of Interest is optional, and the information contained herein is not binding and does not create an obligation to submit a Health Home Application to Serve Children.

To the extent Vanderheyden elects to submit a Health Home Application to Serve Children, we anticipate it would reflect the following governance structure.

Our organization is seeking a new Health Home Designation.

Our organization anticipates it would serve the following regions, Northern, Central and Hudson Valley.

Sincerely,
