MAPP HHTS Release 3.9 Updates
The release is tentatively scheduled for deployment in March 2022. Information regarding the MAPP HHTS Release 3.9 webinar that details the system changes and enhancements, will be distributed as we get closer to the implementation date.

MAPP HHTS Release 3.9 System Changes and Enhancements
1. Add new functionality to record/display Early Intervention (EI) information
2. Add new functionality to record/display High Fidelity Wrap (HFW) information
3. Updates to the Consent Upload file
4. Add new functionality to display C-YES information from UAS
5. Change the HML question on screen to appear as "Was the member recently incarcerated?"
6. Re-format the Member Summary Report (.pdf)
