

## Yearly Appropriateness (YA) Codes and Criteria

August 2025

This chart lists the codes and criteria used for Yearly Appropriateness for children/youth enrolled in the Health Homes Serving Children (HHSC) program. Documentation supporting the Yearly criterion selected for HHSC members is to be retained in the member's electronic health record (EHR). Please refer to policy [HH0016 Eligibility Requirements for Health Home Services and Continued Eligibility](#) for requirements that outline the steps to be taken to ensure members meet criteria for continued eligibility in the Health Home program.

**The effective date for implementation of this chart is December 1, 2025.**
