SUBJECT: Clarification of Duplicate Client Identification Number (CIN) Report Titles

EFFECTIVE DATE: Immediately

CONTACT PERSON: Local District Support Unit
Upstate (518) 474-8887 NYC (212) 417-4500

The purpose of this General Information System (GIS) message is to provide a correction to GIS 20 MA/10 Multiple Client Identification Numbers (CINS) on WMS issued on 11/19/2020.

The names of the reports districts must access to identify and resolve duplicate CINs were incorrectly referenced in GIS 20 MA/10. The MUP-760 (Upstate) and the MNY-760 CL Downstate/Downstate Duplicate Reports are the monthly reports that list enrollees with two active WMS CINs. The reports are available in the Production Hosting Reports & Enterprise Documents (PHRED) application. The report titles were incorrectly identified as MUP 730 (Upstate) and MNY 760 (Downstate) in GIS 20 MA/10. All other guidance issued in GIS 20 MA/10 remains in effect.

Please direct any questions to your local district support liaison.
