SUBJECT: Foster Care Data

EFFECTIVE DATE: Immediately

CONTACT PERSON: Barbara Frankel, 518-473-7467

As part of the agenda for the Commissioner's Call scheduled June 20, 1997, Monroe County Departments of Social Services and Health will discuss their cooperative experience developing their Foster Care program and the use of Medicaid Expenditure data. To make the session more productive, the New York State Department of Health suggests you bring the Medicaid foster care data that was sent to Local Social Service and Health commissioners dated May 27, 1997. If you have any questions concerning this data please call Barbara Frankel at 518-473-7467.
