

MAPP Tool - Updating

For updating items on the MAPP Tool
Can more than one user be updating different sections within the MAPP tool at the same time?
Thank you!

MAPP

Thanks for your question Irene. Yes, multiple users can update different sections of MAPP at the same time. MAPP is a big system with a lot of functionality. If there are additional questions on how to use MAPP, we have a Customer Care Center dedicated to providing support at: MAPP-CustomerCareCenter@cma.com or 518-649-4335.
