Will providers other than PPS leads and Health Homes have access to MAPP?

MAPP

Hi Beverly
No, they must be a MAPP user designated by the PPS to access MAPP. If you have specific DSRIP questions, please send them to dsrip@health.ny.gov. Thanks

In addition, any questions related to MAPP access specifically for Health Homes can be directed to https://apps.health.ny.gov/pubdoh/health_care/medicaid/program/medicaid_health_analytics, selecting "Medicaid Analytics Performance Portal (MAPP)" in the subject line.
