

CRM Use Cases in DSRIP

<http://www.salesforce.com/events/webinars/?commid=166407>

Did you know that we have more people on Medicaid than the entire population of France? (Also, more than the entire population of the UK!) This week we are hosting a webinar on how Customer Relationship Management (“CRM”) can drive Medicaid Delivery System Transformation. (Thursday, August 27th at 12:00pm EST) Please join us and engage with our guest speaker Jose Rosario, Director of IT & Analytics at Finger Lakes PPS in New York.
