

Meeting Recap

When will the meeting recording and presentation be available electronically?
Great meeting - really enjoyed it.

Hi Nate, The PPS IT Information Session and all associated materials were for PPSs. We will be unable to post the recording and presentation on this forum but we will be sharing it with all PPS leads. Thank you

Hi Nate,
I'm glad that you enjoyed the IT session last week. Were there any items or topics that stood out in particular to you from the session?
