

PPS IT Information Session- CIO Panel

The DSRIP IT Strategy Team is excited to announce the speakers for the CIO Panel Discussion at the PPS IT Information Session on January 21st.

We will be using the 45 minute panel discussion to learn about PPS' DSRIP IT Strategy covering topics such as challenges and issues faced by PPSs, care coordination, HIE and RHIO utilization, partner management, and Population Health Management tools.

Our speaker line up includes-

- Dr. Jitendra Barmecha from St. Barnabas Hospital
- Kumar Chatani from Mt. Sinai
- Chuck Fennel from Central NY PPS

To register for the event:

Please click on the below link to register for this information session. We are asking to limit attendance to 3 people from each PPS. It will be most beneficial to have individuals who will be responsible for DSRIP IT or reporting to attend the session.
