

Meaningful Use

There is a database on CMS' website with M'are attested phys/orgs. They direct readers to NYDOH for the M'aid version. I am having trouble finding it. Does anyone know how one can source the file?

Vitaly, As stated in a private email, the information you were looking for can be found on the Health.data.ny.gov website. The specific link for Medicaid Electronic Health Records Incentive Provider Payments: Beginning 2011 is <https://health.data.ny.gov/Health/Medicaid-Electronic-Health-Records-Incentiv...>
