

Continuing the Conversation: Value Based Purchasing in New York State.

Breakout session recap: This session provided an overview of New York State's approved Value Based Purchasing (VBP) roadmap, as well as guidance for PPSs on how to implement VBP, including promoting collaborations between providers and Managed Care Organizations (MCOs).

Value Based Payment VBP Roadmap

Do you know the NYS VBP Workgroup formed several subcommittees around VBP? To learn more about the VBP subcommittees, click the link below:
http://www.health.ny.gov/health_care/medicaid/redesign/dsrrip/vbp_reform.htm Then share your thoughts/ideas on the MIX!

The NYS Department of Health is excited to announce that our latest video, Value Based Payments (VBP): An Introduction, is now available in Spanish. The video gives an overview of what value based payments are, its important role in the NYS Medicaid program, and how it will help to improve patient outcomes. The Spanish version of the video can be viewed at

Value Based P...

. The English version can be viewed at
