

**Suffolk Collaborative Care PPS  
DSRIP Year 2, Quarter 2  
APPEAL**

On January 23, 2017 Suffolk Collaborative Care (SCC) PPS submitted an appeal requesting that the Independent Assessor (IA) reconsider its Actively Engaged determination of its Projects. As the deadline to submit an appeal was January 13, 2017 this appeal was not timely and therefore not considered.

The initial Actively Engaged determinations are upheld.
