# VBP QIP Financing Update

- Finalization of VBP QIP DY2 Rates (April 2016 Rate Package)
  - *DY2 Rate Packages were submitted to the MCOs in actuarial memos for their review on Tuesday, July 12, 2016.*
  - *Plans are given 30 days to review (Thursday, August 11th, 2016); however, plans have asked the state for additional time to review and comment on the April 2016 rate package.*
  - *DOH's submission of the DY2 Rate Packages to CMS and DOB will be delayed*
    - *State is actively pursuing alternatives means to get VBP QIP funding to MCOs for October 2016 and beyond (until April 2016 rate package is approved by CMS & DOB).*
- Due to the delay regarding the DY2 Rate Package, the State will not be pulling back past advances of funds in September, as was initially planned.
  - *The State will not pull back past advances until after the April 2016 rates have been loaded, whenever that may be.*

# VBP QIP Facility Plan Template

- On Thursday July 14<sup>th</sup>, 2016 VBP QIP participants received an outdated Facility Plan Template from the VBP QIP mailbox in the “VBP QIP Updates – July 2016” e-mail.
- DOH asks that participants disregard the Facility Plan Template distributed on July 14<sup>th</sup> and use the Facility Plan Template that was distributed on December 28, 2015.
  - *This updated Facility Plan Template removes section IV, subsection C “Sustainability Measures,” which is no longer needed from the Facilities.*
- The correct Facility Plan Template can be found on the DOH VBP QIP website.
