New Public Health Requirements and Registration System

Please navigate to the new [Public Health MU Website](#) to review guidance on MU Stage 1 and MU Stage 2 Public Health objectives. The website provides an in-depth overview on registration details, data specifications and testing procedures.

New MU Stage 2 Registration and Onboarding Requirement:

An Eligible Provider must register their intent to submit data to Public Health within 60 days of the start of one's EHR Reporting Period. EPs and EHs in New York State - both in the five boroughs of NYC and outside NYC - can register with Public Health in the **new Meaningful Use Registration for Public Health (MURPH) system** hosted in the NYS Department of Health's Health Commerce System. Complete instructions for registering in MURPH can be found at:
