NY Medicaid EHR Incentive Program LISTSERV

It is Never too Early to Begin Preparing for 2017 MU

The New York Medicaid EHR Incentive Program has not yet begun accepting 2017 Meaningful Use attestations in the [MEIPASS](#) system. Despite this, it is never too early to begin preparing. Here is a quick check list of items for Eligible Professionals (EPs) to complete before attestation time arrives:

CMS Registration: Prior to attesting, verify your CMS registration information is accurate and up to date. If any information needs to be updated, such as email address or telephone number, correct it in the [CMS Registration and Attestation System](#).

Fee-For-Service Enrollment: EPs must be registered as Fee-For-Service Medicaid providers and enrollment must be active throughout the entire attestation, until payment has been processed. For more information visit [eMedNY](#) for more information or call eMedNY Provider Services at 1-800-343-9000.

CEHRT ID: Obtain your EHR Certification ID from the [Certified Health IT Product List](#).

ETIN Certification: EPs must maintain [ETIN certification](#) for Medicaid enrollment and program eligibility.

ePACES: The ePACES username and password are used to submit your attestation online through [MEIPASS](#).

For assistance with ETIN, ePACES, and [MEIPASS](#): call the support team at 877-646-5410 Option 1 or email meipasshelp@csra.com.

As soon as the [MEIPASS](#) system is available for 2017 attestations, an announcement will be posted to the [NY Medicaid EHR Incentive Program Website](#) and a message will go out to all individuals registered to receive the NY Medicaid EHR Incentive Program LISTSERV. Stay tuned for more information!
