New FAQs - NY Medicaid EHR Incentive Program

NY Medicaid EHR Incentive Program receives questions from Eligible Providers and we want to make sure we answer them all! We have added 3 more to our [FAQs](#). The new entries answer these questions:

EP91 What should an Eligible Professional (EP) attest to if the Clinical Quality Measure (CQM) version in MEIPASS differs from the CQM version displayed in their Certified EHR Technology (CEHRT) for a particular Payment Year (PY)?

EP92 Can an Eligible Professional (EP) utilize the same Medicaid Patient Volume (MPV) Reporting Period or overlapping MPV Reporting Periods for multiple Payment Years (PYs)?

EP93 How many years can an Eligible Professional (EP) participate in the NY Medicaid EHR Incentive Program?

EP94 What is the PI reporting period?

Our FAQs are developed based on the feedback and questions that we receive from EPs so, while you're there, take a look at the other questions and see how they can assist you in preparing for your 2018 MU Attestation.

Unsure about your Medicaid Patient Volume (MPV)?

NY Medicaid EHR Incentive Program has developed a service allowing providers to request a summary of their Medicaid encounter data attributed to their NPI. Encounter data may also be requested for an organization NPI.

This report may be used to aid providers in preparing their attestation by providing the number of Medicaid
