NY Medicaid EHR Incentive Program PY2018 Final Reminders!

[Have You Completed Your Security Risk Assessment \(SRA\) for PY2018?](#)

It's not too late to start your SRA for Payment Year 2018! As part of 2018 Meaningful Use, all providers must conduct an SRA before the end of calendar year 2018.

Please join us for the Security Risk Assessment (SRA) Webinar. We've designed this webinar to provide information and resources that will inform Eligible Professionals (EPs) regarding the Security Risk Assessment requirements to meet Meaningful Use Objective 1: Protect Patient Health Information.

Topics covered include:
Defining what is a Security Risk Analysis and other terminology surrounding this Objective;
Resources for using the SRA Toolkit developed by ONC;
Safety Measures to consider when performing your SRA; and
What are some common considerations when creating an Action Plan.

There is a SRA webinar scheduled for today, November 28, at 2:00. Our last SRA webinar of the year is scheduled for December 12 at 9:00 am

Sign up for our webinars [here](#) and we will post future dates on our [website](#) when they become available.
