## Public Health Reporting LISTSERV: 9/10/2019

### Reminder: 2019 Meaningful Use Registration for Public Health

In order to meet the 2019 Meaningful Use Public Health Reporting requirements for the NY Medicaid EHR Incentive Program, providers must complete their registration of intent in the Meaningful Use Registration for Public Health (MURPH) System.

**Registration of intent must be completed before or within 60 days of the start of the provider's 2019 EHR reporting period.**

The last 90-day EHR reporting period available in 2019 is October 3, 2019 - December 31, 2019. Therefore, the final day a registration of intent may be submitted for that period is **December 1, 2019**.

*Note: Only one registration is required. If you previously completed your registration in MURPH, then you do not need to submit a new registration. You may edit an existing registration as necessary.*

#### MURPH Access Instructions

- Navigate to the [Health Commerce System \(HCS\)](#)
- Login with your User ID and Password
- Click on "My Content", in the top navigation bar
- Click on "All Applications" and then the letter "M"
- Click on "Meaningful Use Registration for Public Health"

The purpose of this LISTSERV is to offer providers, vendors, and other subscribers the opportunity to receive notifications regarding the EHR Incentive Program Public Health Reporting Objective. These email notifications are provided as a free service to subscribers and the notifications will contain information on the Medicare and Medicaid EHR Incentive Programs. This includes information on updates, changes, and initiatives that may impact the provider community.

This notification serves as an informational reference for providers participating in the NY Medicaid or Medicare EHR Incentive Programs. Although reasonable effort has been made to ensure the accuracy of the information within this document at the time of posting, it is the responsibility of each provider to comply with the current policies and requirements of the program.
