On 10/16/2015, the Centers for Medicare and Medicaid Services (CMS) published a final rule [Stage 3 and Modifications to Meaningful Use in 2015 Through 2017](#), introducing changes to the EHR Incentive Programs for 2015 and beyond that affect Eligible Providers, the NY Medicaid EHR Incentive Program, the New York State Department of Health (NYSDOH), and the New York City Department of Health and Mental Hygiene (NYC DOHMH).

The NY Medicaid EHR Incentive Program, along with NYSDOH and NYC DOHMH, has begun a complete review and analysis of the requirements detailed in the final rule and, through the [Meaningful Use Public Health website](#), will advise Eligible Providers of the Public Health Agency sponsored registries available to support the Public Health Objective(s) as well as the requirements Eligible Providers must satisfy in order to successfully meet the Public Health Objective(s). A new listserv message will be sent when these updates have been made to the website.
