

Meaningful Use Public Health Reporting Updates - July 2016

Make sure you stay up to date on the Meaningful Use Public Health Reporting requirements for 2015, 2016, and 2017. Review the **Meaningful Use Public Health Reporting Website** at www.emedny.org/meipass/publichealth.

Highlights:

- Review updates to the [Public Health FAQs](#) and [CMS Public Health FAQs](#) pages.
- **Stage 3 Declaration of Readiness** added to Public Health Reporting in 2017 Optional Stage 3, accessible from the [Public Health Home](#).
- The Office of the National Coordinator (ONC) for Health IT launched a new Certified Health IT Product List (CHPL) at <http://chpl.healthit.gov> which includes all 2014 and 2015 Edition certified products.
- Sign up for the live 2016 MU Public Health Reporting webinar. New dates have been added to our [Upcoming Events Calendar](#).
