# ELIGIBILITY

Department  
of Health

# APPLICANT ELIGIBILITY

- United States citizen or eligible non-citizen
- **Licensed to practice** within NYS (currently or by the time service commitment begins)
- License in good standing
- **Four-year commitment** at a NYS Medicaid-enrolled provider where 30% of the patient panel are Medicaid members and/or uninsured individuals OR that is contracted with a state-designated SCN and providing HRSN screening, referrals, and/or services.
- **Qualifying full-time employment** (minimum 35 hours per week total, at one or more qualifying employers) with a start date no later than the date the participant's service commitment is signed
- **Have not previously participated in any other student loan repayment program**, excluding the Public Service Loan Forgiveness (PSLF) program
- Have an **outstanding balance due on an eligible educational loan** associated with the **highest degree earned to obtain the relevant clinical credentials**

# FOUR-YEAR SERVICE COMMITMENT

Applicants must commit to maintaining **full-time** employment at an eligible organization for **four years** starting on the day you sign and return the awardee contract to the Department of Health.

## What is considered full-time?

- Minimum 35 hours per week
- Requirement may be met through multiple part-time positions at eligible organizations that total a minimum of 35-hours per week

## How do I know if my organization is eligible?

- A list of organizations that have been approved by the Department of Health can be found on the [1115 Workforce Initiatives Service Commitment Site Directory](#).
- If your current or prospective employer is not listed as an approved site below, please ask an authorized representative from the organization to complete and submit the Provider Attestation form. This form will be used to determine whether the location(s) where you currently work or plan to work meet the eligibility requirements to qualify as a service commitment site.

# SERVICE COMMITMENT SITE ELIGIBILITY

## Service commitment sites must meet the following criteria:

- Active Medicaid-enrolled provider with a patient population that was at least 30% Medicaid and/or uninsured members during **one** of the last three (3) years.

### OR meet any of the following

- Contracted not-for-profit provider partner of an SCN and is providing HRSN screening, referrals, and/or services (e.g. health or behavioral health provider).
- An SCN lead entity.
- Not-for-profit Community-Based Organization that is contracted with an SCN and is providing HRSN screening, referrals, and/or services.

# SERVICE COMMITMENT SITE APPLICATION

The [1115 Workforce Initiatives Service Commitment Site Directory](#) contains approved service commitment sites.

## For Employers to Apply as a Service Commitment Site

An authorized representative of the employer should complete the Provider Attestation Form and submit it to [HEALR@health.ny.gov](mailto:HEALR@health.ny.gov) for eligibility determination.

## For Program Applicants

Please have an authorized representative of the organization submit an employer attestation form to determine their eligibility.

**Important Note:** Health systems must submit a separate Provider Attestation form, including the corresponding Medicaid ID number, for each location. Approval of service commitment site eligibility is granted at the individual site/facility level.

of Health

# ELIGIBLE EMPLOYER ATTESTATION PROCESS

## Instructions for employer authorized representatives:

1. Verify whether the facility is listed in the [1115 Workforce Initiatives Service Commitment Site Directory](#).
2. If the facility is not listed, review eligibility criteria to ensure the facility qualifies as a Service Commitment Site.
3. An authorized representative of the facility should complete the [Provider Attestation Form](#) and submit to [HEALR@health.ny.gov](mailto:HEALR@health.ny.gov).
4. A decision will be sent to the organization within **7-10 business days**.
5. Once a verification email has been received, the facility may submit up to **five employer applications**.

# APPLICATION

Department  
of Health

# TWO WAYS TO APPLY

1

## Individual Application

Applicant starts application without any assistance from their employer

2

## Employer-Initiated Application

- Employer begins the application on behalf of their employee
- Employee is emailed a link to their employee application with all information from the employer application pre-filled

Department  
of Health

**Important Note:** Applications received using the employer-initiated application pathway will not be given scoring benefits. All applications use the same scoring criteria regardless of who initiates the application process.

# INDIVIDUAL APPLICATION

- The application must be completed by the person financially responsible for the student loans to be repaid.
- Have all required documents on hand before beginning your application.
- Fields marked with an asterisk are required and must be populated
- Logic is embedded in the application to automate key steps and ensure relevant information is captured.
- Your application will be considered incomplete if you do not upload correct/complete documentation as requested.
- You may save your progress and return to your application at a later time.

# EMPLOYER APPLICATION

Employers can submit applications for up to five (5) current or prospective employees. For organizations with multiple sites or facilities, this limit applies per facility.

## Employers must:

- Be approved as a service commitment site before submitting applications
- Have all required documents on hand to complete the application
- Fields marked **with an asterisk are required and** must be populated
- **Employees are responsible for reviewing and verifying all information their employer provides**
