Dear Amir Bassiri:

New York submitted a Health-Related Social Needs (HRSN) Implementation Plan on April 30, 2024, in accordance with special terms and conditions (STC), specifically STC 6.19. The Centers for Medicare and Medicaid Services is approving the Implementation Plan, as an attachment to the STCs for New York's section 1115 demonstration project entitled, "Medicaid Redesign Team" (Project No. 11-W-00114/2), effective through March 31, 2027. A copy of the approved attachment is enclosed and will be incorporated into the STCs as Attachment J.

This approval is conditioned upon compliance with the previously approved STCs, which set forth in detail the nature, character, and extent of anticipated federal involvement in the project.

We look forward to our continued partnership on the New York Medicaid Redesign Team section 1115 demonstration. If you have any questions, please contact your CMS project officer, Jonathan Morancy. Mr. Morancy can be reached by email at Jonathan.Morancy@cms.hhs.gov.

Sincerely,

Danielle Daly
