Dear Director Bassiri:

The Centers for Medicare & Medicaid Services (CMS) has completed its review of the Health-Related Social Needs (HRSN) services and infrastructure protocol for the Medicaid Redesign Team Section 1115 Demonstration (Project Number: 11-W-00114/2). We have determined the services and infrastructure protocol is consistent with the requirements outlined in the demonstration Special Terms and Conditions (STC) and are therefore approving it. A copy of the approved protocol is enclosed and will be incorporated into the STCs as Attachment K.

We look forward to our continued partnership on the New York Medicaid Redesign Team section 1115(a) demonstration. If you have any questions, please contact your project officer, Jonathan Morancy at Jonathan.Morancy@cms.hhs.gov.

Sincerely,
