

Department of Health
Division of State EMS

New York State

County EMS Plan Framework

Supporting Resource Documents

Attachment 2:

Course Sponsor Data Collection

Comprehensive County Emergency Medical Services System Planning Framework

Pursuant to N.Y. Public Health Law § 3019

Document Use Guide

This attachment is intended to provide a resource document for Course Sponsors to prepare metrics that will later be entered into the portal found on the EMS Forms page of the Department's website. These metrics should be utilized in the development of the County EMS Plan and help to answer several Core Planning Elements as well as supplement any Expanded Planning Elements.

Course Sponsor Data Collection

1. Number of Original courses taught in 2025

CFR

EMT

AEMT

Paramedic
