

NYS Early Intervention Program Needs YOU!

The NYS Early Intervention Program serves infants and toddlers with developmental disabilities and delays from birth to age three and their families in their own homes and communities statewide.

Why our current providers work for NYS Early Intervention (EI):

“I consider it an honor to empower EI families to become their child’s best role model and advocate.”
– From a Speech-Language Pathologist with over 40 years of service.

“It is amazing to be a part of our children and families’ journey while helping pave the way for a successful future!”
– From an Occupational Therapist with 28 years of service.

“Every EI family has a slightly different dream, but all have the same goal for their children. As a provider we feel immediately appreciated. Family members embrace us as ‘their own’ and your impact on their family will be felt for a lifetime.”
– From an EI Administrator with 42 years of service.
