

## MIF Claim Submission Guidance – Provider Claims

### Overview

Below are claim submission guidelines for providers submitting claims to the Medical Indemnity Fund (MIF). This guidance will be updated periodically to address common questions and concerns relating to MIF claim submission. The guidance below assumes all applicable authorizations have been obtained.

If you have any questions about obtaining authorizations or submitting claims, please contact us: [MIF@health.ny.gov](mailto:MIF@health.ny.gov) or call 1-855-NYMIF33 (1-855-696-4333).

### Overall Submission requirements

Due to the standardization of provider claims, it is preferable and more expedient if providers accept payment directly from the MIF and submit their claims directly to the MIF for reimbursement. If you are a member submitting a claim, please refer to the MIF Claim Submission Guidelines for Members available on the MIF website.

All completed claims are required to be received by the MIF within 90 days from the date services are rendered or purchased.

### Provider Claims

- You are required to submit an [IRS Form W9](#) and a list of providers who will be billing with the TIN/SSN listed on the W9 before payment can be made.
- You can submit your claims electronically or by mail.
  - **Electronically:** The Fund offers two options for submitting Electronic Data Interchange (EDI) claims. With the appropriate option in place for your electronic workflow, electronic billing results in fewer errors, lower costs and increased efficiency for businesses on both ends of the transaction. These options are detailed below:
    - **Clearinghouse Submitters:** Standard 837 file submission through a clearinghouse using the Fund's receiver ID, NYDFS. This PIN is the identifier at the Clearinghouse to route claims directly to the Claims Operation Department.
    - **Direct Submitters:** This option is for providers who choose to create their own 837 file and submit that file directly to the MIF portal. If you wish to request online access, you can send a request via email with your Tax ID and group NPI to [MIF@health.ny.gov](mailto:MIF@health.ny.gov)
  - **Mail:** Claims that are mailed must be submitted on completed CMS1500 or CMS1450 (also known as a UB04). Mail to:  
Medical Indemnity Fund  
c/o Public Consulting Group, Inc.  
P.O. Box 784  
Greenland, NH 03840-0784  
Phone: (855) NYMIF33 | (855) 696-4333
  - For Claims submitted via **certified mail**, mail to:  
Medical Indemnity Fund  
c/o Public Consulting Group, Inc.  
P.O. Box 784  
Greenland, NH 03840-0784

*Note: Photographs and faxes of claims are not acceptable and will not be processed.*

- Legible, handwritten claims are acceptable; however, typed claims are preferred for more accurate and expedient processing.

- Correct usage of CPT and HCPC procedure codes (and when applicable Revenue and DRG codes) and ICD10 diagnosis codes. Using miscellaneous codes when there is a specific code available for the service or item being billed will result in a denial and a corrected claim will be required.
- Anesthesia claims require the start and end times of the procedure.
- Ambulance and Non Emergency Transportation claims require address of origin and destination.
- Please see [Appendix A](#) below for further MIF claims requirements for 1500 Professional Forms and [Appendix B](#) below for MIF Claims Requirements for UB Institutional Forms.
- Supporting documentation must accompany claims:
  - Durable Medical Equipment (DME) claims for items that don't have a specific procedure code and are billed with a miscellaneous procedure code require a manufacturers invoice (shipping and handling are not covered).
  - Claims for patients with primary commercial insurance coverage require a copy of the primary carrier explanation of payment or denial.
  - All respite and home care efforts require a summary of activities provided to or for the member for each day and/or time-period being billed. Nursing duty notes are acceptable.
