Re: SPA 13-008

Non-Institutional Services

Dear Mr. Melendez:

After consulting with CMS, the State is requesting that amendment 13-008 be split into two separate SPAs, 13-008 and 13-008-A. SPA 13-008 will maintain the present reimbursement methodology but at a reduced payment value that will be commensurate with hospital charges; SPA 13-008-A will redistribute monies included in the State's original request to other hospitals that qualify under this proposal. We have enclosed each separate plan amendment.

Under separate cover the State will provide our response to the September 3, 2013 request for additional information for SPA 13-008, which we are requesting expeditious approval on. For SPA 13-008-A, it is the State's understanding that SPA will remain off-the-clock until the State's submits its formal response for such.

If you have any questions regarding this State Plan Amendment resubmission, please do not hesitate to contact Mr. John E. Ulberg, Jr., Medicaid Chief Financial Officer, Division of Finance and Rate Setting, at (518) 474-6350.

Sincerely,

Jason A. Helgerson Medicaid Director

Office of Health Insurance Programs

## New York 161

## **Additional Inpatient Hospital Payments**

Effective for the state fiscal years beginning April 1, 2001 and ending March 31, 2009, specialty hospital adjustments for services provided on or after April 1, 2001, are authorized to government general hospitals, other than those operated by the State of New York or the State University of New York, receiving reimbursement for all inpatient services under Title XIX of the federal Social Security Act (Medicaid) pursuant to this Attachment of this State Plan and located in a city with a population of over one million, of up to \$286 million annually, as medical assistance payments. For the period beginning April 1, 2008 through March 31, 2009, and April 1, 2009 through March 31, 2010, such payments shall total \$232.1 million and \$380,935,268 million, respectively. For the period beginning April 1, 2010 through March 31, 2011 such payments shall total \$445,115,542. For the period beginning April 1, 2011 through March 31, 2012 such payments shall total \$464,776,992.

For the period beginning April 1, 2013 through March 31, 2014 such payments shall total \$36,225,265. Such payments, when aggregated with other medical assistance payments, shall not exceed 100% of a reasonable estimate of the amount that would be paid for such services under Medicare payment principles for non-state government owned or operated government general hospitals for the respective periods and shall be based on each such hospital's proportionate share of the sum of all inpatient discharges for all facilities eligible for an adjustment pursuant to this section for the base year two years prior to the rate year. Such proportionate share payment may be added to rates of payment or made as aggregate payments to eligible government general hospitals.

Effective for the period September 1, 2001 through March 31, 2002 and state fiscal years beginning April 1, 2002 and ending March 31, 2008, additional specialty hospital adjustments for services provided on or after September 1, 2001 are authorized to government general hospitals, other than those operated by the State of New York or the State University of New York, receiving reimbursement for all inpatient services under Title XIX of the federal social security act (Medicaid) pursuant to this Attachment of this State Plan and located in a city with a population of over one million, of up to \$463 million for the period September 1, 2001 through March 31, 2002 and \$794 million annually for state fiscal years, beginning April 1, 2002 and ending March 31, 2008, as medical assistance payments based on each such hospital's proportionate share of the sum of all inpatient discharges for all facilities eligible for an adjustment pursuant to this section for the base year two years prior to the rate year. Such proportionate share payments may be added to rates of payment or made as aggregate payments to eligible government general hospitals.

## New York 161(1.1)

## Additional Hospital Inpatient Supplemental Payment Adjustment

The State will provide an additional supplemental payment for all inpatient services provided by eligible government general hospitals. To be eligible, the hospital must (1) be a government general hospital, (2) not be operated by the State of New York or the State University of New York, (3) did not qualify for a supplemental payment under the immediately preceding provision, and (4) be located in a city with a population over one million.

For state fiscal year beginning April 1, 2012 and ending March 31, 2013, the amount of the supplemental payment will be \$430,695,312. For state fiscal year beginning April 1, 2013 through March 31, 2014, the amount of the supplemental payment will be \$428,551,727. Medical assistance payments will be made for all inpatient services for patients eligible for federal financial participation under Title XIX of the Federal Social Security Act based on each such hospital's proportionate share of the sum of all Medicaid inpatient discharges for all facilities eligible for an adjustment for the base year two years prior to the rate year. Such supplemental payments under this section will be made in a single lump-sum payment.
