RE: TN 25-0035

Dear Medicaid Director Bassiri:

The Centers for Medicare & Medicaid Services (CMS) has reviewed the proposed New York state plan amendment (SPA) to Attachment 4.19-D NY 25-0035, which was submitted to CMS on June 30, 2025. This State Plan Amendment proposes to provide an across-the-board funding increase of up to \$438.3 million to Nursing Homes for the period April 1, 2025, and ending March 31, 2026, and for the period beginning April 1, 2026, and each year thereafter, an annual across the board funding increase of up to \$379.1 million per year.

We reviewed your SPA submission for compliance with statutory requirements, including in sections 1902(a)(2), 1902(a)(13), 1902(a)(30), 1903 as it relates to the identification of an adequate source for the non-federal share of expenditures under the plan, as required by 1902(a)(2) of the Social Security Act and the applicable implementing Federal regulations.

Based upon the information provided by the state, we have approved the amendment with an effective date of April 1, 2025. We are enclosing the approved CMS-179 and a copy of the new state plan pages.

If you have any additional questions or need further assistance, please contact Kristina Mack at 617-565-1225 or via email at Kristina.Mack-Webb@cms.hhs.gov.

Rory Howe

A(a.2)

1905(a)(4)(A) Nursing Facility Services

For the period beginning July 1, 2024, and ending March 31, 2025, a one-time across-the-board (ATB) increase will be provided to Article 28 nursing homes, increasing overall Medicaid reimbursement by up to \$280.5 million. For the period beginning April 1, 2025 and ending March 31, 2026, an across-the-board (ATB) increase will be provided to Article 28 nursing homes, increasing overall Medicaid reimbursement by up to \$438.3 million and for the period beginning April 1, 2026 and each year thereafter, an annual across-the-board (ATB) increase will be provided to Article 28 nursing homes increasing overall Medicaid reimbursement by up to \$379.1 million per year.

- a. Programs to receive funding as a part of this increase include:
 - i. Nursing Homes
 - ii. Specialty care facilities
- b. In order to fully distribute the available funding, one-time lump sum payments will be made to each facility. The lump sum payment per facility will be calculated as follows:
 - i. Divide the available amount of the ATB increase by the total of all facility Medicaid patient days for the most recent reported calendar year. This will result in an ATB increase per Medicaid patient day.
 - ii. Then, take the ATB increase per patient day and multiply it by each facility's Medicaid patient days.
- c. The payments will be made as soon as possible upon approval from CMS and the NYS Division of the Budget.
- d. For the period beginning April 1, 2025 and ending March 31, 2026, \$378.3 million will be distributed according to the above method. The remaining \$60 million will be distributed as follows:
 - i. Divide the available amount of the ATB increase by the total of all facility Medicaid revenue for the most recent reported calendar year. This will result in a percentage based ATB increase.
 - ii. Then, take the ATB increase percentage and multiply it by each facility's Medicaid revenue to arrive at a lump sum payment amount per facility.
