Re: SPA 13-009
Non-Institutional Services

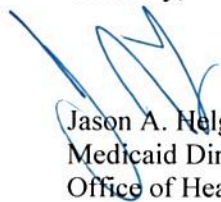

Dear Mr. Melendez:

After consulting with CMS, the State is requesting that amendment 13-009 be split into two separate SPAs, 13-009 and 13-009-A. SPA 13-009 will maintain the present reimbursement methodology but at a reduced payment value that will be commensurate with hospital charges; SPA 13-009-A will redistribute monies included in the State's original request to other hospitals that qualify under this proposal. We have enclosed each separate plan amendment.

Under separate cover the State will provide our response to the September 3, 2013 request for additional information for SPA 13-009, which we are requesting expeditious approval on. For SPA 13-009-A, it is the State's understanding that SPA will remain off-the-clock until the State's submits its formal response for such.

If you have any questions regarding this State Plan Amendment resubmission, please do not hesitate to contact Mr. John E. Ulberg, Jr., Medicaid Chief Financial Officer, Division of Finance and Rate Setting, at (518) 474-6350.

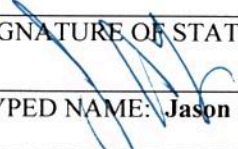

Sincerely,

Jason A. Helgerson
Medicaid Director
Office of Health Insurance Programs
